Olympic Panel Products, Shelton, WA; Notice of Affirmative Determination Regarding Application for Reconsideration

By application received via facsimile on January 21, 2009, the International Association of Machinists and Aerospace Workers, Woodworkers District Lodge 1, requested administrative reconsideration of the negative determination regarding workers' eligibility to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment

Assistance (ATAA) applicable to workers and former workers of the subject firm. The determination was issued on December 12, 2008. The Notice of Determination was published in the **Federal Register** on December 30, 2008 (73 FR 79915).

The initial investigation resulted in a negative determination based on the finding that imports of overlay plywood did not contribute importantly to worker separations at the subject firm and no shift of production to a foreign source occurred.

In the request for reconsideration, the petitioner provided additional information regarding the customers of the subject firm and alleged that the customers might have increased imports or reliance on imports of overlay plywood.

The Department has carefully reviewed the request for reconsideration and the existing record and has determined that the Department will conduct further investigation to determine if the workers meet the eligibility requirements of the Trade Act of 1974.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the U.S. Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 23rd day of January 2009.

Elliott S. Kushner,

*Certifying Officer, Division of Trade
Adjustment Assistance.*

Mercury Marine Division of Brunswick Corporation Including On-Site Leased Workers From Westaff (USA), Inc. and Aerotek, Fond Du Lac, WI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment

Assistance on June 8, 2007, applicable to workers of Mercury Marine, Division of Brunswick Corporation, Fond du Lac, Wisconsin. The notice was published in the **Federal Register** on June 22, 2007 (72 FR 34482).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of marine outboard engines.

New information shows that workers leased from Westaff (USA), Inc. and Aerotek were employed on-site at the Fond du Lac, Wisconsin location of Mercury Marine, Division of Brunswick Corporation. The Department has determined that these workers were sufficiently under the control of Mercury Marine, Division of Brunswick Corporation to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Westaff (USA), Inc. and Aerotek working on-site at the Fond du Lac, Wisconsin location of the subject firm.

The intent of the Department's certification is to include all workers employed at Mercury Marine, Division of Brunswick Corporation, Fond du Lac, Wisconsin who were adversely affected by increased imports following a shift in production of marine outboard engines to China and Japan.

The amended notice applicable to TA-W-61,414 is hereby issued as follows:

All workers of Mercury Marine, Division of Brunswick Corporation, including on-site leased workers from Westaff (USA), Inc. and Aerotek, Fond du Lac, Wisconsin, who became totally or partially separated from employment on or after April 23, 2006 through June 8, 2009 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.

Signed at Washington, DC this 28th day of January 2009.
