CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC–2022–0020]

Electronic Filing of Certain Certificate of Compliance Data: Announcement of PGA Message Set Test and Request for Participants

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: The U.S. Consumer Product Safety Commission (Commission or CPSC), in consultation with U.S. Customs and Border Protection (CBP), announce their joint intent to conduct a second test (a Beta Pilot) to assess the electronic filing of data from a certificate of compliance (certificate) for regulated consumer products under CPSC's jurisdiction. This electronic filing will be done via the Partner Government Agency (PGA) Message Set,

to the CBP-authorized Electronic Data Interchange system known as the Automated Commercial Environment (ACE). In this notice, CPSC seeks Beta Pilot test participants. CPSC is also collecting comments on burden estimates for a proposed collection of information related to the Beta Pilot test, as required by the Paperwork Reduction Act of 1995.

DATES:

Beta Pilot Test Participation:

Electronic requests to participate in the Beta Pilot test program and the Beta Pilot test IT project may be submitted on or before July 25, 2022. However, CPSC will consider applications to participate until reaching the Beta Pilot test capacity of no more than 50 participants.¹ Additionally, CPSC will consider applications to volunteer for a Beta Pilot test IT project until the capacity of nine participants is filled. The Beta Pilot test will run until terminated by announcement in the **Federal Register**. CPSC intends to run the Beta Pilot test for at least 6 months. CPSC asks that each Beta Pilot test participant electronically file CPSC PGA Message Set certificate data, as described here, for at least 6 months. Participants may have staggered start dates, to accommodate onboarding all participants.

Paperwork Reduction Act: Submit comments on the proposed collection of information by August 9, 2022 using the methods described below in the **ADDRESSES** section of this preamble.

ADDRESSES:

Beta Pilot Test Participation: Requests to participate in the Beta Pilot test and technical comments on CPSC's supplemental Customs and Trade Automated Interface Requirements (CATAIR) guideline (which will be made available on [CPSC.gov](https://www.cpsc.gov)) should be submitted through electronic mail to: efilingpilot@cpsc.gov. Requests to participate in the Beta Pilot test should contain the subject heading: "Beta Pilot: Application to participate in PGA Message Set Test." If you are also willing to volunteer to participate in the Beta Pilot test IT development project, described here, please indicate this in the application to participate in the Beta Pilot test. Technical comments on

¹ CPSC will select fewer participants than the 100 initially proposed by staff in the 2020 Commission-approved eFiling Plan, available at: <https://www.cpsc.gov/s3fs-public/CPSC-Plan-to-Create-an-eFiling-Program-for-Imported-Consumer-Products.pdf>. Staff has determined, based on research on user-experience testing, that fewer participants of varying importer size are sufficient to test system capacity and to provide information to the Commission to implement a permanent eFiling requirement.
