As part of its continuing effort to reduce paperwork burdens, as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the FCC invited the general public and other Federal Agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimates; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology. Pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4), the FCC seeks specific comment on how it might "further reduce the information collection burden for small business concerns with fewer than 25 employees."

OMB Control Number: 3060-0754.

Title: FCC Form 2100, Application for Media Bureau Audio and Video Service Authorization, Schedule H.

Form Number: FCC Form 2100, Schedule H.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for profit entities.

Number of Respondents: 1,767 respondents; 1,767 responses.

Estimated Time per Response: 10 hours.

Frequency of Response:

Recordkeeping requirement: Annual reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this collection of information is contained in Sections 4(i) and 303 of the Communications Act of 1934, as amended.

Total Annual Burden: 17,670 hours.
Total Annual Cost: \$1,060,200.

Needs and Uses: Commercial full-power and Class A television broadcast stations are required to file FCC Form 2100, Schedule H (formerly FCC Form 398) (Children's Television Programming Report) within 30 days after the end of each calendar year. FCC Form 2100, Schedule H is a standardized form that: (a) Provides a consistent format for reporting the children's educational television programming aired by licensees to meet their obligation under the Children's Television Act of 1990 (CTA), and (b) facilitates efforts by the public and the FCC to monitor compliance with the CTA.

Commercial full-power and Class A television stations are required to complete FCC Form 2100, Schedule H within 30 days after the end of each calendar year and file the form with the Commission. The Commission places the form in the station's online public inspection file maintained on the Commission's database (www.fcc.gov). Stations use FCC Form 2100, Schedule H to report, among other things, the Core Programming (*i.e.*, children's educational and informational programming) the station aired the previous calendar year. FCC Form 2100, Schedule H also includes a "Preemption Report" that must be completed for each Core Program that was preempted during the year. This "Preemption Report" requests information on the reason for the preemption, the date of each preemption, the reason for the preemption and, if the program was rescheduled, the date and time the program was re-aired.

On July 10, 2019, the Commission adopted a Report and Order in MB Docket Nos. 18–202 and 17–105, *FCC 19–67*, In the Matter of Children's Television Programming Rules; Modernization of Media Regulation Initiative, which modernizes the children's television programming rules in light of changes to the media landscape that have occurred since the rules were first adopted. Among other revisions, the Report and Order revises the children's television programming rules to expand the Core Programming hours to 6:00 a.m. to 10:00 p.m.; modify the safe harbor processing guidelines for determining compliance with the children's programming rules; require that broadcast stations air the substantial majority of their Core Programming on their primary program streams, but permit broadcast stations to air up to 13 hours per quarter of regularly scheduled weekly programming on a multicast stream;

eliminate the additional processing guideline applicable to stations that multicast; and modify the rules governing preemption of Core Programming. In addition, the Report and Order revises the children's television programming reporting requirements by requiring that Children's Television Programming Reports (FCC Form 2100, Schedule H) be filed on an annual rather than quarterly basis, within 30 days after the end of the calendar year; eliminating the requirements that the reports include information describing the educational and informational purpose of each Core Program aired during the current reporting period and each Core Program that the licensee expects to air during the next reporting period; eliminating the requirement to identify the program guide publishers who were sent information regarding the licensee's Core Programs; and streamlining the form by eliminating certain fields. The Report and Order also eliminates the requirement to publicize the Children's Television Programming Reports. The Report and Order directs the Media Bureau to make modifications to FCC Form 2100, Schedule H as needed to conform the form with the revisions to the children's programming rules, including the changes to the processing guidelines and preemption policies.

OMB Control No.: 3060–0799.

Title: FCC Ownership Disclosure Information for the Wireless Telecommunications Services.

Form No.: FCC Form 602.

Number of Respondents and Responses: 4,115 respondents and 4,115 responses.

Estimated Time per Response: 0.5–1.5 hours.

Frequency of Response: On occasion reporting requirement.

The statutory authority for this collection of this information is contained in sections 154(i), 303(g), 303(r), and 332(c)(7) of the Communications Act of 1934, as amended.

Total Annual Burden: 5,217 hours.

Total Annual Cost: \$762,300.

Needs and Uses: The FCC Form 602 is necessary to obtain the identity of the

filer and to elicit information required by § 1.2112 of the Commission's rules regarding: (1) Persons or entities holding a 10 percent or greater direct or indirect ownership interest or any general partners in a general partnership holding a direct or indirect ownership interest in the applicant ("Disclosable Interest Holders"); and (2) All FCC-regulated entities in which the filer or any of its Disclosable Interest Holders owns a 10 percent or greater interest. The data collected on the FCC Form 602 includes the FCC Registration Number (FRN), which serves as a "common link" for all filings an entity has with the FCC. The Debt Collection Improvement Act of 1996 requires that entities filing with the Commission use an FRN. The FCC Form 602 was designed for, and must be filed electronically by, all licensees that hold licenses in auctionable services.

The FCC Form 602 is comprised of the Main Form containing information regarding the filer and the Schedule A is used to collect ownership data pertaining to the Disclosable Interest Holder(s). Each Disclosable Interest Holder will have a separate Schedule A.
