

As required by 10 CFR 2.309, a petition for leave to intervene shall set forth with particularity the interest of the petitioner/requester in the proceeding, and how that interest may be affected by the results of the proceeding. The petition should specifically explain the reasons why intervention should be permitted with particular reference to the following general requirements: (1) The name, address and telephone number of the requester or petitioner; (2) the nature of the requester's/petitioner's right under the Act to be made a party to the proceeding; (3) the nature and extent of the requester's/petitioner's property, financial, or other interest in the proceeding; and (4) the possible effect of any decision or order which may be entered in the proceeding on the requester's/petitioner's interest. The petition must also identify the specific contentions which the petitioner/requester seeks to have litigated at the proceeding.

Each contention must consist of a specific statement of the issue of law or fact to be raised or controverted. In addition, the petitioner/requester shall provide a brief explanation of the bases for the contention and a concise statement of the alleged facts or expert opinion which support the contention and on which the petitioner intends to rely in proving the contention at the hearing. The petitioner must also provide references to those specific sources and documents of which the petitioner is aware and on which the petitioner intends to rely to establish those facts or expert opinion. The petition must include sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact. Contentions shall be limited to matters within the scope of the amendment under consideration. The contention must be one which, if proven, would entitle the petitioner/requester to relief. A petitioner/requester who fails to file such a petition/request that satisfies these requirements with respect to at least one contention will not be permitted to participate as a party.

If two or more requesters/petitioners seek to co-sponsor a contention, the requesters/petitioners shall jointly designate a representative who shall have the authority to act for the requesters/petitioners with respect to that contention. If a requester/petitioner seeks to adopt the contention of another sponsoring requester/petitioner, the requester/petitioner who seeks to adopt the contention must either agree that the sponsoring requester/petitioner shall act as the representative with respect to that

contention or jointly designate with the sponsoring requester/petitioner a representative who shall have the authority to act for the requesters/petitioners with respect to that contention.

Each contention should be given a separate numeric or alpha designation within one of the following groups: (1) Technical (primarily related to safety concerns); (2) environmental; or (3) miscellaneous.

Those permitted to intervene become parties to the proceeding, subject to any limitations in the order granting leave to intervene, and have the opportunity to participate fully in the conduct of the hearing.

A request for a hearing or a petition for leave to intervene must be filed by: (1) First class mail addressed to the Office of the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemaking and Adjudications Staff; (2) courier, express mail, and expedited delivery services: Office of the Secretary, Sixteenth Floor, One White Flint North, 11555 Rockville Pike, Rockville, Maryland, 20852, Attention: Rulemaking and Adjudications Staff; (3) E-mail addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, [HEARINGDOCKET@NRC.GOV](mailto:HEARINGDOCKET@NRC.GOV); or (4) facsimile transmission addressed to the Office of the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC, Attention: Rulemakings and Adjudications Staff at (301) 415-1101, verification number is (301) 415-1966. A copy of the request for hearing and petition for leave to intervene should also be sent to the attorney for the licensee, Jonathan Rogoff, Vice President Counsel and Secretary, Nuclear Management Company, LLC, 700 First Street, Hudson, WI 54016.
