**SUPPLEMENTARY INFORMATION:** The Animal and Plant Health Inspection Service (APHIS) is proposing to issue permits for the release of the insect *Ganaspis brasiliensis* in the continental United States for the biological control of spotted-wing Drosophila (*Drosophila suzukii*). The action is proposed to reduce the severity of damage to small fruit crops from infestations of spotted-wing Drosophila (SWD) in the continental United States.

SWD is native to East Asia. It was first detected in California, Italy, and Spain in 2008. It has since established in most fruit-growing regions in North America. SWD lays eggs inside ripening fruits. Feeding by SWD larvae results in the degradation of fruits, and the puncturing of the fruit skin may also provide a gateway for secondary bacterial and fungal infections.

Permitting the release of the G–1 lineage of *Ganaspis brasiliensis* is necessary to reduce SWD populations in non-crop habitats. This would reduce the number of SWD that migrate into susceptible crops and would thereby improve the effectiveness of other SWD control tools. Introducing and establishing this larval parasitoid will uniquely contribute to suppression of SWD because it attacks fly maggots inside the fruit (while most pesticides target only adult flies, and only two pupal parasitoids readily attack SWD). Classical biological control is a potentially useful management strategy for an invasive pest species whenever effective resident natural enemies are lacking in the new distribution range.

APHIS' review and analysis of the potential environmental impacts associated with the proposed release are

documented in detail in an environmental assessment (EA) titled “Field Release of *Ganaspis brasiliensis* (Hymenoptera: Figitidae) for Biological Control of Spotted-wing Drosophila, *Drosophila suzukii* (Diptera: Drosophilidae), in the Continental United States” (January 2021). Based on our findings in the EA, we are proposing to issue permits for the release of the insect *Ganaspis brasiliensis* (G–1 lineage) as a biological control agent to reduce SWD infestations. We are making the EA available to the public for review and comment. We will consider all comments that we receive on or before the date listed under the heading **DATES** at the beginning of this notice.

The EA may be viewed on the [regulations.gov](https://www.regulations.gov) website or in our reading room (see **ADDRESSES** above for a link to [regulations.gov](https://www.regulations.gov) and information on the location and hours of the reading room). You may also request paper copies of the EA by calling or writing to the person listed under **FOR FURTHER INFORMATION CONTACT**. Please refer to the title of the EA when requesting copies.

The EA has been prepared in accordance with: (1) The National Environmental Policy Act of 1969 (NEPA), as amended (42 U.S.C. 4321 *et seq.*), (2) regulations of the Council on Environmental Quality for implementing the procedural provisions of NEPA (40 CFR parts 1500–1508), (3) USDA regulations implementing NEPA (7 CFR part 1b), and (4) APHIS' NEPA Implementing Procedures (7 CFR part 372).

Done in Washington, DC, this 12th day of July, 2021.

### Food and Nutrition Service

#### National School Lunch, Special Milk, and School Breakfast Programs, National Average Payments/Maximum Reimbursement Rates

**AGENCY:** Food and Nutrition Service, USDA.

**ACTION:** Notice.

**SUMMARY:** This Notice announces the annual adjustments to the national average payments, the amount of money the Federal Government provides States for lunches, afterschool snacks, and

breakfasts served to children participating in the National School Lunch and School Breakfast Programs; to the maximum reimbursement rates, the maximum per lunch rate from Federal funds that a State can provide a school food authority for lunches served to children participating in the National School Lunch Program; and to the rate of reimbursement for a half-pint of milk served to non-needy children in a school or institution that participates in the Special Milk Program for Children. The annual payments and rates adjustments for the National School Lunch and School Breakfast Programs reflect changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers. The annual rate adjustment for the Special Milk Program reflects changes in the Producer Price Index for Fluid Milk Products. Further adjustments are made to these rates to reflect higher costs of providing meals in Alaska, Guam, Hawaii, Puerto Rico, and the Virgin Islands. The payments and rates are prescribed on an annual basis each July. Overall, reimbursement rates this year for the National School Lunch, Breakfast Programs and the Special Milk Program either remained the same or increased compared to last year.

**Special Note:** For the school year beginning July 1, 2021 and ending June 30, 2022, school food authorities operating the National School Lunch Program Seamless Summer Option under Food and Nutrition Service-issued nationwide waivers #85 (*Nationwide Waiver to Allow the Seamless Summer Option through School Year 2021–2022*) and #86 (*Nationwide Waiver to Allow Summer Food Service Program Reimbursement Rates in School Year 2021–2022*) may receive the reimbursement rates prescribed for the Summer Food Service Program (85 FR 86901) in lieu of the reimbursement rates established in this notice. The Summer Food Service Program reimbursement rates made available to these school food authorities will similarly be updated effective January 1, 2022 through a future notice published in the **Federal Register**.

**DATES:** These rates are effective from July 1, 2021 through June 30, 2022.

#### SUPPLEMENTARY INFORMATION:

##### Background

*Special Milk Program for Children*—Pursuant to section 3 of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1772), the Department announces the rate of reimbursement for a half-pint of milk served to non-needy children in a school or institution that participates in the Special Milk Program for Children. This rate is adjusted annually to reflect changes in the Producer Price Index for Fluid Milk Products, published by the Bureau of Labor Statistics of the Department of Labor.

*National School Lunch and School Breakfast Programs*—Pursuant to sections 11 and 17A of the Richard B. Russell National School Lunch Act, (42 U.S.C. 1759a and 1766a), and section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773), the Department annually announces the adjustments to the National Average Payment Factors and to the maximum Federal reimbursement rates for lunches and afterschool snacks served to children participating in the National School Lunch Program and breakfasts served to children participating in the School Breakfast Program. Adjustments are prescribed each July 1, based on changes in the Food Away From Home series of the Consumer Price Index for All Urban Consumers, published by the Bureau of Labor Statistics of the Department of Labor.

*Lunch Payment Levels*—Section 4 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1753) provides general cash for food assistance payments to States to assist schools in purchasing food. The Richard B. Russell National School Lunch Act provides two different section 4 payment levels for lunches served under the National School Lunch Program. The lower payment level applies to lunches served by school food authorities in which less than 60 percent of the lunches served in the school lunch program during the second preceding school year were served free or at a reduced price. The higher payment level applies to lunches served by school food authorities in which 60 percent or more of the lunches served during the second preceding school year were served free or at a reduced price.

To supplement these section 4 payments, section 11 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1759 (a)) provides special cash assistance payments to aid schools in providing free and reduced price

lunches. The section 11 National Average Payment Factor for each reduced price lunch served is set at 40 cents less than the factor for each free lunch.

As authorized under sections 8 and 11 of the Richard B. Russell National School Lunch Act (42 U.S.C. 1757 and 1759a), maximum reimbursement rates for each type of lunch are prescribed by the Department in this Notice. These maximum rates are to ensure equitable disbursement of Federal funds to school food authorities.

*Performance-Based Reimbursement*—In addition to the funding mentioned above, school food authorities certified as meeting the meal pattern and nutrition standard requirements set forth in 7 CFR parts 210 and 220 are eligible to receive performance-based cash assistance for each reimbursable lunch served (an additional seven cents per lunch available beginning July 1, 2019, and adjusted annually thereafter).

*Afterschool Snack Payments in Afterschool Care Programs*—Section 17A of the Richard B. Russell National School Lunch Act (42 U.S.C. 1766a) establishes National Average Payments for free, reduced price and paid afterschool snacks as part of the National School Lunch Program.

*Breakfast Payment Factors*—Section 4 of the Child Nutrition Act of 1966 (42 U.S.C. 1773) establishes National Average Payment Factors for free, reduced price, and paid breakfasts served under the School Breakfast Program and additional payments for free and reduced price breakfasts served in schools determined to be in “severe need” because they serve a high percentage of needy children.

##### Adjusted Payments

The following specific section 4, section 11, and section 17A National Average Payment Factors and maximum reimbursement rates for lunch, the afterschool snack rates, and the breakfast rates are in effect from July 1, 2021 through June 30, 2022. Due to a higher cost of living, the average payments and maximum reimbursements for Alaska, Guam, Hawaii, Puerto Rico, and the Virgin Islands are higher than those for all other States. The District of Columbia uses figures specified for the contiguous States. These rates do not include the value of USDA Foods or cash-in-lieu of USDA Foods which schools receive as additional assistance for each meal served to participants under the Program. A notice announcing the value of USDA Foods and cash-in-lieu of USDA Foods is published separately in the **Federal Register**.

Adjustments to the national average payment rates for all lunches served under the National School Lunch Program, breakfasts served under the School Breakfast Program, and afterschool snacks served under the National School Lunch Program are rounded down to the nearest whole cent.

##### Special Milk Program Payments

For the period July 1, 2021 through June 30, 2022, the rate of reimbursement for a half-pint of milk served to a non-needy child in a school or institution that participates in the Special Milk Program is 22.00 cents reflecting an increase of 1.75 cents from the School Year (SY) 2020–2021 level. This change is based on the 9.44 percent increase in the Producer Price Index for Fluid Milk Products from May 2020 to May 2021.

As a reminder, schools or institutions with pricing programs that elect to serve milk free to eligible children continue to receive the average cost of a half-pint of milk (the total cost of all milk purchased during the claim period divided by the total number of purchased half-pints) for each half-pint served to an eligible child.

##### National School Lunch Program Payments

Overall, payments for the National School Lunch Program and the Afterschool Snack Program either remained the same or increased from last year's payments due to a 4.04 percent increase in the national average payment rates for schools and residential child care institutions for the period July 1, 2021 through June 30, 2022 in the Consumer Price Index for All Urban Consumers for the food away from home series during the 12-month period May 2020 to May 2021 (from a level of 291.709 in May 2020, as previously published in the **Federal Register** to 303.481 in May 2021).

*These changes are reflected below.*

*Section 4 National Average Payment Factors*—In school food authorities that served less than 60 percent free and reduced price lunches in School Year (SY) 2019–2020, the payments for meals served are: *Contiguous States*—paid rate—35 cents (2 cents increase from the SY 2020–2021 level), free and reduced price rate—35 cents (2 cents increase), maximum rate—43 cents (2 cents increase); *Alaska*—paid rate—57 cents (3 cents increase), free and reduced price rate—57 cents (3 cents increase), maximum rate—68 cents (3 cents increase); *Guam, Hawaii, Puerto Rico, and the Virgin Islands*—paid rate—41 cents (2 cents increase), free and reduced price rate—41 cents (2 cents

In school food authorities that served 60 percent or more free and reduced price lunches in School Year 2019–2020, payments are: *Contiguous States*—paid rate—37 cents (2 cents increase from the SY 2020–2021 level), free and reduced price rate—37 cents (2 cents increase), maximum rate—43 cents (2 cents increase); *Alaska*—paid rate—59 cents (3 cents increase), free and reduced price rate—59 cents (3 cents increase), maximum rate—68 cents (3 cents increase); *Guam, Hawaii, Puerto Rico and the Virgin Islands*—paid rate—43 cents (2 cents increase), free and reduced price rate—43 cents (2 cents increase), maximum rate—49 cents (2 cents increase).

School food authorities certified to receive the performance-based cash assistance will receive an additional 7 cents (adjusted annually) added to the above amounts as part of their section 4 payments.

**Section 11 National Average Payment Factors**—*Contiguous States*—free lunch—3 dollars and 31 cents (13 cents increase from the SY 2020–2021 level), reduced price lunch—2 dollars and 91 cents (13 cents increase); *Alaska*—free lunch—5 dollars and 37 cents (21 cents increase), reduced price lunch—4 dollars and 97 cents (21 cents increase); *Guam, Hawaii, Puerto Rico and the Virgin Islands*—free lunch—3 dollars and 87 cents (15 cents increase), reduced price lunch—3 dollars and 47 cents (15 cents increase).

#### School Breakfast Program Payments

Overall, payments for the National School Breakfast Program either remained the same or increased from last year's payments due to a 4.04 percent increase in the national average payment rates for schools and residential child care institutions for the period July 1, 2021 through June 30, 2022 in the Consumer Price Index for All Urban Consumers in the Food Away from Home series during the 12-month period May 2020 to May 2021 (from a level of 291.709 in May 2020, as previously published in the **Federal Register** to 303.481 in May 2021).

*These changes are reflected below.*

For schools “not in severe need” the payments are: *Contiguous States*—free breakfast—1 dollar and 97 cents (8 cents increase from the SY 2020–2021 level), reduced price breakfast—1 dollar and 67 cents (8 cents increase), paid breakfast—33 cents (1 cent increase); *Alaska*—free breakfast—3 dollars and 15 cents (12 cents increase), reduced price breakfast—2 dollars and 85 cents (12 cents increase), paid breakfast—50 cents (1 cent increase); *Guam, Hawaii, Puerto*
