Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-27363

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17a-2 (17 CFR 240.17a-2), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). Rule 17a-2—Recordkeeping Requirements Relating to Stabilizing Activities—requires underwriters to maintain information regarding stabilizing activities conducted in accordance with Rule 104 of Regulation

M. The collections of information under Regulation M and Rule 17a-2 are necessary for covered persons to obtain certain benefits or to comply with certain requirements. The collections of information are necessary to provide the Commission with information regarding syndicate covering transactions and penalty bids. The Commission may review this information during periodic examinations or with respect to investigations. Except for the information required to be kept under Rule 104(i) (17 CFR 242.104(i)) and Rule 17a-2(c), none of the information required to be collected or disclosed for PRA purposes will be kept confidential. Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted by April 17, 2023.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
