Notice of Public Hearing and Business Meeting February 12 and March 11, 2020

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on Wednesday, February 12, 2020 at the Commission's office building, 25 Cosey Road, West Trenton, New Jersey 08628. A business meeting will be held the following month on Wednesday, March 11, 2020 at the Washington Crossing Historic Park Visitor Center, 1112 River Road, Washington Crossing, Pennsylvania. The hearing and meeting are open to the public.

Public Hearing. The public hearing on February 12, 2020 will begin at 1:30 p.m. Hearing items will include draft dockets for withdrawals, discharges,

and other projects that could have a substantial effect on the basin's water resources; and a resolution authorizing the Executive Director to adopt the Fiscal Year 2020 Water Resources Program.

The list of projects scheduled for hearing, including project descriptions, and the text of the proposed resolution will be posted on the Commission's website, www.drbc.gov, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on February 12, 2020 will be accepted through 5:00 p.m. on February 17.

The public is advised to check the Commission's website periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is needed to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that the details of projects may change during the Commission's review, which is ongoing.

Public Meeting. The public business meeting on March 11, 2020 will begin at 10:30 a.m. and will include: Adoption of the Minutes of the Commission's December 11, 2019 Business Meeting, announcements of upcoming meetings and events, a report on hydrologic conditions, reports by the Executive Director and the Commission's General Counsel, a resolution to adopt the Fiscal Year 2020-2022 Water Resources Program, and consideration of any items for which a hearing has been completed or is not required.

After all scheduled business has been completed and as time allows, the Business Meeting will be followed by up to one hour of Open Public Comment, an opportunity to address the Commission on any topic concerning management of the basin's water resources outside the context of a duly noticed, on-the-record public hearing.

There will be no opportunity for additional public comment for the record at the March 11 Business Meeting on items for which a hearing was completed on February 12 or a previous date. Commission consideration on March 11 of items for which the public hearing is closed may result in approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already

received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.
