DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Comment request.

SUMMARY: The Department of Education (the Department), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the reporting burden on the public and helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Acting Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before December 12, 2011.

ADDRESSES: Comments regarding burden and/or the collection activity requirements should be electronically mailed to ICDocketMgr@ed.gov or mailed to U.S. Department of Education, 400 Maryland Avenue, SW., LBJ, Washington, DC 20202-4537. Please note that written comments received in response to this notice will be considered public records.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that Federal agencies provide interested parties an early opportunity to comment on information collection requests. The Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: October 5, 2011.

Kate Mullan,

Acting Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.

Type of Review: Extension.

Title of Collection: Charter Schools

Program Grant Awards Database.

OMB Control Number: 1855-0016.

Agency Form Number(s): N/A.

Frequency of Responses: Annually.

Affected Public: State, Local or Tribal Government.

Total Estimated Number of Annual Responses: 70.

Total Estimated Annual Burden Hours: 137.

Abstract: This request is for renewal of OMB approval to collect data necessary for the *Charter Schools Program (CSP) Grant Award Database*. The CSP is authorized under Title V, Part B, Subpart 1, Sections 5201 through 5211 of the Elementary and Secondary Act (ESEA) of 1965, as amended by the No Child Left Behind Act of 2001. Under Title V, Part B, Section 5205 of the ESEA, the Secretary reserves CSP funds to carry out national activities to provide charter schools with information, to evaluate and study charter schools, and to provide other types of technical assistance. This data collection is coordinated with the *EDFacts* initiative to reduce respondent burden and fully utilize data submitted by States and available to the U.S. Department of Education (ED) through

the Education Data Exchange Network (EDEN). Under the current data collection, ED collects CSP grant award information from grantees (State agencies and some schools) for a database of current CSP-funded charter schools and award amounts; ED merges performance information extracted from the EDEN database with the database of CSP-funded charter schools. Together, these data allow ED to monitor CSP grant performance and analyze data related to accountability for academic performance, financial integrity, and program effectiveness.
