

Modified Zone 1 to commercial/ industrial standards. A commercial/ industrial remedy is consistent with the contingent remedy described in the Record of Decision Amendment dated March 24, 2020 (the “ROD Amendment”). The ROD Amendment states that, if two conditions are satisfied, the EPA will issue an ESD to confirm that these two conditions have been met and will change the selected remedy for Modified Zone 1 from a residential cleanup to a commercial/ industrial cleanup. On May 26, 2020, the first condition was satisfied when the City of East Chicago changed the zoning designation for Modified Zone 1 from residential to light industrial. The Purchaser intends to acquire title to real property within Modified Zone 1 (the “Property”) with the intent to redevelop it for commercial/industrial use. This acquisition will satisfy the second condition. Once the EPA receives notice that the Purchaser has acquired title to the Property, both conditions will be satisfied. The EPA will then issue the ESD and the PPA will become effective. Under the proposed PPA, Purchaser will remediate contaminated soils at the Property to commercial/industrial criteria as required by the ROD Amendment.

Under the proposed ASAOC, Respondents will provide financial assurance for the remedial action to be performed by Purchaser under the PPA, pay future federal and state oversight costs after application of an \$800,000 credit towards those costs, and pay \$18,000,000 in settlement of certain response costs incurred by the EPA at the Site. The Respondents and the Additional Covered Parties also agree to waive potential claims for reimbursement from the Hazardous Substance Superfund under Section 106(b) of CERCLA, 42 U.S.C. 9606(b).

In both the PPA and the ASAOC, the EPA covenants not to sue the Purchaser, Respondents, and Additional Covered Parties pursuant to Sections 106 and 107 of CERCLA, 42 U.S.C. 9606 and 9607, relating to Operable Unit 1. The EPA’s covenants not to sue are subject to reservations. The settlement agreements also provide the Purchaser, Respondents, and Additional Covered Parties with protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. 9613(f)(2).

The EPA is providing notice of the proposed ASAOC in accordance with Section 122(i) of CERCLA, 42 U.S.C. 9622(i), which requires the Administrator to provide notice and an opportunity for comment when the EPA proposes to settle a claim pursuant to

Section 122(h) of CERCLA, 42 U.S.C. 9622(h). The EPA is providing notice of the proposed PPA in accordance with the terms of the PPA. Section 117(c) of CERCLA, 42 U.S.C. 9617(c), and 40 CFR 300.435(c)(2)(i) require EPA to issue an ESD when a settlement differs in any significant respect but does not fundamentally alter the remedy selected in the Record of Decision with respect to scope, performance, or cost. A formal public comment period is not required for an ESD.

Due to the interdependent nature of the three documents included in this notice, the EPA is requesting comment on all three documents simultaneously. The EPA will consider all comments received and may modify or withdraw its consent to the settlements if comments received disclose facts or considerations that indicate that the proposed settlements and proposed ESD are inappropriate, improper, or inadequate.

Douglas Ballotti,

Director, Superfund & Emergency Management Division, Region 5.
