

than 190 days after the date on which Commerce initiated the investigation if: (A) The petitioner³ makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.⁴

On December 12, 2018, the petitioner submitted a timely request that Commerce postpone the preliminary determination in this LTFV investigation.⁵ The petitioner stated that it requests postponement because Commerce was still gathering data and questionnaire responses from the foreign producers in this investigation, and additional time is necessary for interested parties to respond to additional requests from Commerce.

For the reasons stated above, and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determination by 50 days. As a result, Commerce will issue its preliminary determination no later than April 15, 2019. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: January 31, 2019.

Christian Marsh,

Deputy Assistant Secretary for Enforcement and Compliance.
