

2012, the Savage Industrial Rail Services Operation (Savage) has petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR 229.23 (which requires a periodic inspection every 92 days) and 49 CFR 229.25 (requiring specific tests to be done at every periodic inspection).

Savage is asking for this duration to be extended to 184 days. Savage conducts rail switching operations for customers in the area of Henderson and Elko, NV. At this operation they run two locomotives for fewer hours than normal Class I railroads. This relief will help Savage to lower costs and thereby be able to pass those savings on to its customers. FRA assigned the petition Docket Number FRA-2012-0063.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Ave. SE., W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

DEPARTMENT OF VETERANS AFFAIRS

Fund Availability Under the Supportive Services for Veteran Families Program; Amendment

AGENCY: Department of Veterans Affairs.

ACTION: Amendment to notices.

SUMMARY: The Department of Veterans Affairs (VA) is announcing an amendment to the Notices of Fund Availability issued in fiscal years 2011 and 2012 for supportive services grants under the Supportive Services for Veteran Families (SSVF) Program.

VA published two Notices in the **Federal Register** on December 17, 2010 (75 FR 79087), and on December 1, 2011 (76 FR 74849), titled, "Fund Availability Under the Supportive Services for Veteran Families Program." Under "Requirements for the Use of

Supportive Services Grant Funds" section of the Notices, grantees were permitted to "utilize a maximum of 30 percent of supportive services grant funds to provide the supportive service of temporary financial assistance paid directly to a third party on behalf of a participant for child care, transportation, rental assistance, utility-fee payment assistance, security deposits, utility deposits, moving costs, and emergency supplies in accordance with 38 CFR 62.33 and 62.34 of the final rule."

VA has received comments from a variety of stakeholders that the 30 percent maximum for financial assistance is inadequate to meet the needs of Veteran families served in SSVF. For instance, the Department of Housing and Urban Development offers similar financial assistance through its Homeless Prevention and Rapid Re-housing and Emergency Solutions Grant programs without such caps and also allows longer time limits for financial assistance. Grantees have stated that they are turning away eligible Veteran families for services as they are unable to successfully intervene to meet the needs of these families within the program's limits on financial assistance. As this limit may interfere with the mission of the SSVF program to prevent and end homelessness, VA announces that grantees are permitted to utilize a maximum of 50 percent of supportive services grant funds for these purposes.

Technical Assistance: Information regarding how to obtain technical assistance with the preparation of this

request should be directed to a grantee's regional coordinator. Additional information can also be found at <http://www.va.gov/HOMELESS/SSVF.asp>.

FOR FURTHER INFORMATION CONTACT: John Kuhn, Supportive Services for Veteran Families Program Office, National Center on Homelessness Among Veterans, 4100 Chester Avenue, Suite 201, Philadelphia, PA 19104; (877) 737-0111 (this is a toll-free number); SSVF@va.gov.

SUPPLEMENTARY INFORMATION:

I. Eligibility Information

Eligible Applicants: In order to be eligible, an applicant must be a current SSVF grantee.

II. Application and Submission Information

Content and Form of Application: Current SSVF grantees interested in increasing the funds they can make available for temporary financial assistance should submit a program change request along with a revised budget request through their regional coordinator. No change in the total program award will be made in conjunction with such a request.

Approved: September 13, 2012.

John R. Gingrich,

Chief of Staff, Department of Veterans Affairs.
