General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 8, 2016, based on a complaint filed by Kemin Industries, Inc. and Kemin Foods, L.C. both of Des Moines, Iowa (collectively, “complainants”). 81 FR 78634–35 (Nov. 8, 2016). The complaint alleges violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain claims of U.S. Patent Nos. 8,815,955 and 9,226,940. The complaint further alleges the existence of a domestic industry. The notice of investigation named as respondents OmniActive Health Technologies of Mumbai, India and OmniActive Health Technologies, Inc. of Morristown, New Jersey (collectively, “respondents”). *Id.* at 78635. The Office of Unfair Import Investigations was not named as a party.

On December 13, 2016, complainants and respondents filed a joint motion to terminate the investigation based on settlement. The parties represent that the settlement agreement reflects the entire and only agreement between the parties regarding the subject matter of the investigation and that there are no other agreement, written or oral, express or implied between the parties concerning the subject matter of the investigation.

On December 28, 2016, the ALJ granted the joint motion to terminate the investigation based on settlement. The ALJ found that the parties' submissions, including a modified public version of the settlement agreement submitted on December 22, 2016, satisfy the Commission's rules. The ALJ found that the termination of this investigation based on settlement does not pose any public interest concerns. The ALJ also found that it is in the interest of the public and administrative economy to grant the motion.

No petitions for review of the subject ID were filed, and the Commission has determined not to review the ID. The investigation is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 17, 2017.

Lisa R. Barton,

Secretary to the Commission.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation Liability Act (“CERCLA”)

On January 17, 2017, the Department of Justice lodged a proposed Consent Decree (“Decree”) with the United States District Court for the District of Arizona in the lawsuit entitled *United States v. Cyprus Amax Minerals Company and Western Nuclear, Inc., Civil Action No. 2:17–cv–00140*.

In this action, the United States and the Navajo Nation filed complaints against Cyprus Amax Minerals Company and Western Nuclear, Inc. (“Defendants”) seeking past and future response costs and injunctive relief under Sections 106 and 107 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. 9606 and 9607. The United States and the Navajo Nation concurrently lodged a Consent Decree resolving the claims alleged in the complaint. The Defendants, through either their corporate predecessors or past activities, operated mine sites on the Navajo Nation. There are Navajo Nation communities located close to the mine sites, on and near the Navajo Nation Reservation, and downstream and down-wind from the waste piles on the mine sites. There have been or may be releases and/or threatened releases of hazardous substances from the mine sites formerly operated by the Defendants into the environment at each of the mine sites. More specifically, there have been or may be releases and/or threatened releases of uranium and radium-226, each of which constitutes a hazardous substance. The Decree requires the Settling Defendants to pay past and future response costs to EPA

and implement injunctive relief to abate releases or threatened releases from the mine sites.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v.
