Full Assistance Listing descriptions are published and updated annually on <https://sam.gov>. Co-sponsors will work with OASH/GAM staff to jointly develop an event. Both OASH and the co-sponsor must contribute substantively to the development of the event.

OASH Grants Workshops may be convened over one to three days; conducted virtually, in-person, or in a hybrid format (virtual and in-person). Depending on the workshop format and scope, a workshop may typically accommodate between 100 and 500 attendees.

Co-sponsors can charge registration fees to recover costs associated with the events; however, co-sponsors may not set registration fees at an amount higher than necessary to recover related event expenses. Further, co-sponsors are solely responsible for collecting and handling any registration fees collected.

Eligibility for Co-Sponsorship: The co-sponsoring entity must have a demonstrated interest and experience in building capacity among potential grant applicants and grant recipients, particularly with respect to programs supported by GAM. The co-sponsoring entity must participate substantively in the co-sponsored activity, not just provide funding, logistical services, or other material support.

Each potential co-sponsorship's expression of interest shall describe:

- (1) The entity's interest in building capacity among potential grant applicants and grant recipients,
- (2) The entity's prior experience and current readiness to undertake the responsibilities described above,
- (3) The type of event(s) that the entity is interested in co-sponsoring with GAM,
- (4) Facilities and/or virtual platforms available for the event(s), and
- (5) Any current constraints with respect to dates or facilities.

The type of event may be a special topic of mutual interest with one or

more of the aforementioned GAM supported program offices and may be developed jointly.

The expression of interest should be a bulleted outline, no more than two pages in length, single-spaced, and 11-point font. An entity may submit an expression of interest individually or jointly with other entities describing their relative contributions.

Evaluation Criteria: After engaging in exploratory discussions with potential co-sponsors that respond to this notice, the following considerations will be used by HHS officials, as appropriate and relevant, to select the co-sponsor(s):

- Qualifications and capability to fulfill co-sponsorship responsibilities
- Suitability of the location of the proposed OASH Grants Workshops in terms of the overall geographical distribution of OASH Grants Workshops
- Potential for reaching, generating, and engaging an adequate number of attendees who may be potential grant applicants and grant recipients
- Availability and description of facilities and resources needed to support the OASH Grants Workshop
- Availability of administrative support for the logistics of hosting such OASH Grants Workshops

These duties will be outlined in a co-sponsorship agreement with GAM and the sponsoring program office(s) that will set forth the details of the co-sponsored activity, including the requirements that any fees collected by the co-sponsor shall be limited to the amount necessary to cover the co-sponsor's related event expenses. This co-sponsorship agreement does not represent an endorsement by HHS, OASH, GAM or its supported program office(s) of an individual co-sponsor's policies, positions, or activities.

Additionally, this agreement will not affect any determination concerning activities by the co-sponsors that are regulated by GAM's grant-supporting offices.
