

graduation information to the Department of Education (Department) with a certification signed by the institutions President/CEO/Chancellor as well as for disseminating that information to prospective U.S. students. The Department's regulations, at 34 CFR 668.14(b)(7), require Title IV participating institutions to submit reports to the Department containing such information as the Secretary may reasonably require to carry out the purposes of the Title IV, HEA programs. This is being done to improve consumer information by providing more specific consumer information to prospective U.S. medical students at foreign institutions.

[Case No. RF-027]

Notice of Petition for Waiver of Samsung Electronics America, Inc. from the Department of Energy Residential Refrigerator and Refrigerator-Freezer Test Procedure, and Grant of Interim Waiver

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice of petition for waiver, notice of grant of interim waiver, and request for comments.

SUMMARY: This notice announces receipt of a petition for waiver from Samsung Electronics America, Inc. (Samsung) regarding specified portions of the U.S. Department of Energy (DOE) test procedure for determining the energy consumption of electric refrigerators and refrigerator-freezers. In its petition, Samsung provides an alternate test procedure that is the same as the test procedure DOE published in a final rule setting out testing requirements for manufacturers to follow starting in 2014. DOE solicits comments, data, and information concerning Samsung's petition and the suggested alternate test procedure. Today's notice also grants Samsung an interim waiver from the electric refrigerator and refrigerator-freezer test procedure, subject to use of the alternative test procedure set forth in this notice.

DATES: DOE will accept comments, data, and information with respect to the Samsung Petition until April 12, 2013.
