

other high technology industries, and manufacturing industries. Private sector members will serve in a representative capacity presenting the views and interests of their particular industry and as senior business representatives whose expertise on international business issues can be shared. Private sector members are not special government employees, and will receive no compensation for their participation in Council activities. Members participating in Council meetings and events will be responsible for their travel, lodging, and other personal expenses. Only appointed members may attend official Council meetings. Council members serve for three-year terms at the discretion of the Department of Commerce.

In order to be eligible for membership in the U.S. section, potential candidates should be:

- A U.S. citizen residing in the United States, or able to travel to the United States to attend official Council meetings;
- The President or CEO (or comparable level of responsibility) of a private sector company (or, in the case of very large private sector companies, the head of a sizeable operating unit), or head of a non-profit organization such as a trade or industry association that has a unique technical expertise and outstanding reputation; and
- Not a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.

In reviewing eligible candidates, the Department of Commerce will consider such selection factors as:

- Experience and interest in the Egyptian market;
- Industry or service sector represented;
- Export/investment experience;
- Contribution to diversity based on industry sector, company size, location, and demographics; and
- Readiness to initiate and be responsible for activities in which the Business Council will be active.

Members will be selected on the basis of who will best carry out the objectives of the Council as stated in the Terms of Reference establishing the U.S.-Egypt Business Council.

To be considered for membership, please provide the following: name or names and title(s) of the individual(s) requesting consideration; name and address of the company or organization sponsoring each individual; company's product, service or technical expertise; size of the company or organization; export trade, investment, or international program experience and major markets; and a brief statement of

why the candidate(s) should be considered for membership on the Council.

Dated: October 4, 2005.

Cherie Loustaunau,

Director, Office of the Middle East.

National Oceanic and Atmospheric Administration

[I.D. 100505B]

Fisheries of the South Atlantic; Meeting to refine South Atlantic Fishery Management Council's Internet Mapping System.

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of meeting to refine Internet Mapping System

SUMMARY: The South Atlantic Fishery Management Council (Council) will hold a meeting to refine its Internet Mapping System in St. Petersburg, FL. See **SUPPLEMENTARY INFORMATION**.

DATES: The workshop will take place October 25, 2005. See **SUPPLEMENTARY INFORMATION**.

ADDRESSES: The meeting will be held at the Florida Fish and Wildlife Research Institute, 100 Eighth Avenue, S.E., St. Petersburg, FL 33701; phone: (727) 896-8626; fax: (727) 893-2947.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer, South Atlantic Fishery Management Council, One Southpark Circle, Suite 306, Charleston, SC 29407-4699; phone: (843) 571-4366 or toll free (866)SAFMC-10; fax: (843) 769-4520; email: kim.iverson@safmc.net.

SUPPLEMENTARY INFORMATION: The meeting will take place from 8:30 a.m. – 5 p.m. on October 25, 2005. Invited participants representing scientific and mapping expertise, will meet to continue to refine the Council's Internet Mapping System (IMS) with additional datasets and improved functionality.

The meeting is a follow up to one held in 2004. The Council's IMS, as designed through a contract with the Florida's Fish and Wildlife Research Institute, incorporates datasets, metadata, and images provided through cooperative efforts of several agencies. Continued collection and refinement of the IMS will assist the Council in the development of its Fishery Ecosystem

Plan. Information provided on the site is accessible to the public at <http://map.mapwise.com/safmc>.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Note: The times and sequence specified in this agenda are subject to change.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the council office (see **ADDRESSES**) 3 days prior to the meetings.

Dated: October 6, 2005.

Emily Menashes,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
