SUPPLEMENTARY INFORMATION: DoD is soliciting information and feedback from defense contractors, insurance industry representatives, and others, on DoD's requirement to develop a comprehensive acquisition strategy for Defense Base Act insurance that will address the following provisions of Section 843 of the National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110–417):

The Secretary of Defense shall adopt an acquisition strategy for insurance required by the Defense Base Act (42 U.S.C. 1651 *et seq.*) which minimizes the cost of such insurance to the Department of Defense and to defense contractors subject to such Act * * * The Secretary shall ensure that the acquisition strategy adopted * * * addresses the following criteria: (1) Minimize overhead costs associated with obtaining such insurance, such as direct or indirect costs for contract management and contract administration. (2) Minimize costs for coverage of such insurance consistent with realistic assumptions regarding the likelihood of incurred claims by contractors of the Department. (3) Provide for a correlation of premiums paid in relation to claims incurred that is modeled on best practices in government and industry for similar kinds of insurance. (4) Provide for a low level of risk to the Department. (5) Provide for a competitive marketplace for insurance required by the Defense Base Act to the maximum extent practicable. * * * In adopting the acquisition strategy * * * the Secretary shall consider such options (including entering into a single Defense Base Act insurance contract) as the Secretary deems to best satisfy the (five aforementioned) criteria * * *

1. Policy Options
