Certain Steel Concrete Reinforcing Bars from Turkey: Notice of Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limits of the final results of the antidumping duty administrative review on certain steel concrete reinforcing bars from Turkey. The review covers four producers/exporters of the subject merchandise to the United States. The period of review is April 1, 1999, through March 31, 2000.

EFFECTIVE DATE: August 21, 2001.

FOR FURTHER INFORMATION CONTACT: Irina Itkin at (202) 482-0656, Office of AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230.

Postponement of Final Results of Administrative Review

The Department issued the preliminary results of the 1999-2000 administrative review of the antidumping duty order on certain steel

concrete reinforcing bars from Turkey on May 4, 2001 (66 FR 22525 (May 4, 2001)). The current deadline for the final results in this review is September 4, 2001. In accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(h)(2), the Department finds that the final results cannot be issued within the original time frame due to the large number of sales and cost issues raised by the parties in their case briefs.

Because it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act, as amended by the Uruguay Round Agreements Act, and 19 CFR 351.213(h)(2), the Department is extending the time limits for completion of the final results of the administrative review until October 31, 2001.

Dated: August 15, 2001.

Susan Kuhbach,

Acting Deputy Assistant Secretary for Import Administration.

DEPARTMENT OF DEFENSE

Delay in the Implementation of 10 U.S.C. 2227; Electronic Submission and Processing of Claims for Contract Payments

AGENCY: Department of Defense (DoD).

ACTION: Notice of delay in the implementation of 10 U.S.C. 2227.

SUMMARY: This notice announces a delay in implementing 10 U.S.C. 2227, from June 30, 2001, until October 1, 2002. 10 U.S.C. 2227 requires contractors to submit, and DoD to process, electronically all claims for payment under DoD contracts.

FOR FURTHER INFORMATION CONTACT: Mr. Robert Bembien, OUSD(AT&L)DP(EBI), Room 3C128, 3060 Defense Pentagon, Washington, DC 20301-3060. Telephone (703) 695-1097; facsimile (703) 695-7596.

SUPPLEMENTARY INFORMATION: The Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001 (Public Law 106-398) was enacted on October 30, 2000. Section 1008(a) of Public Law 106-398 added 10 U.S.C. 2227 which provides that the Secretary of Defense must require a contractor to

submit, and DoD to process, electronically any claim for payment under a DoD contract. DoD must also transmit any supporting documentation electronically within DoD.

Section 1008(c) of Public Law 106-398 stipulates that—

1. The requirement to submit and process claims for payment electronically shall apply to contracts for which solicitations are issued after June 30, 2001;

2. The Secretary of Defense may delay the implementation date to a date after June 30, 2001, but no later than October 1, 2002, upon a finding that it is impracticable to implement 10 U.S.C. 2227 until that later date; and

3. If the Secretary of Defense makes a determination to delay implementation of 10 U.S.C. 2227 beyond June 30, 2001, a notice of the delay shall be published in the **Federal Register**.

The purpose of this notice is to comply with Section 1008(c)(2)(B) of Public Law 106-398 by announcing a delay in the implementation of 10 U.S.C. 2227, until October 1, 2002, because DoD has made a finding that it is impracticable to implement 10 U.S.C. 2227 prior to that date. Currently, DoD does not have the capability to receive all contractor claims for payment electronically, nor the capability to process all claims and supporting documentation electronically. In addition, DoD must publish changes to the Defense Federal Acquisition Regulation Supplement in order to implement the requirement for contractors to submit all claims for payment electronically. For these reasons, DoD has determined that it is impracticable to implement 10 U.S.C. 2227 prior to October 1, 2002.

Executive Editor, Defense Acquisition Regulations Council.
