

cash to the applicable Fund and to receive bitcoin and/or ether from the Funds. This means that the authorized participant would be responsible for buying and selling the applicable crypto asset(s) rather than the Fund itself, which would potentially lessen the impact on the market of the Funds on both sides of the transaction by allowing the authorized participant to decide how and where to source the underlying crypto asset for creations and deciding how, where, and whether to sell the underlying crypto asset received for redemptions. This would improve the creation and redemption process for both authorized participants and the Funds, increase efficiency, and ultimately benefit the end investors in the Funds.

Except for the addition of in-kind creation and redemption for the Bitcoin Fund as specifically set forth herein, all other representations made in the Bitcoin ETP Amendment No. 1, as amended, remain unchanged, and will continue to constitute continuing listing requirements for the Bitcoin Fund. Except for the addition of in-kind creation and redemption for the Eth Fund as specifically set forth herein, all other representations made in the Eth ETP Amendment No. 1 remain unchanged and will continue to constitute continuing listing requirements for the Eth Fund. Similarly, except for the addition of in-kind creation and redemption for the Crypto Index Fund as specifically set forth herein, all other representations made in the Crypto Index ETP Amendment No. 1 remain unchanged and will continue to constitute continuing listing requirements for the Crypto Index Fund.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. As noted above, the proposed amendment is intended to allow the Funds to operate more efficiently by allowing for in-kind creation and redemption. The Exchange believes these changes will not impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.
