Notice of Intended Disinterment

AGENCY: Department of the Army, DoD.

ACTION: Notice of intended disinterment.

SUMMARY: Army National Military Cemeteries (ANMC) is honoring the requests of four families to disinter the human remains of four Native American students from the Carlisle Barracks Post Cemetery, Carlisle, Pennsylvania. The decedent names are Little Plume (aka Hayes Vanderbilt Friday), George Ell (aka George Eli), Herbert Little Hawk (aka Herbert J. Littlehawk), and Her Pipe Woman (aka as Dora Brave Bull). These students died in the 1880s and 1890s while attending the Carlisle Indian Industrial School. At the request of the closest living relative for each decedent, ANMC will disinter, transfer custody, transport, and reinter the remains in private cemeteries chosen by the families. This disinterment will be conducted in accordance with Army Regulation 210–190. This is not a Native American Graves Protection and Repatriation Act (NAGPRA) action because the remains are not part of a collection as they are interred in graves that are individually marked at the Carlisle Barracks Post Cemetery.

DATES: The disinterment is scheduled to begin on June 14, 2018. Transportation to and re-interment in private cemeteries will take place as soon as practical after the disinterment. If other living relatives object to the disinterment of these remains, please provide written objection to Lieutenant Colonel Brent Kauffman at the email address listed below prior to June 7, 2018. Such objections may delay the disinterment for the decedent in question.

ADDRESSES: Objections from family members and public comments can be mailed to Lieutenant Colonel Brent Kauffman, ANMC Project Manager, 1 Memorial Avenue, Arlington National Cemetery, Arlington, VA 22211 or emailed to usarmy.pentagon.hqda-anmc.mbx.accountability-coe@mail.mil (preferred).

BILLING CODE 5001–03–P

DEPARTMENT OF DEFENSE

[Docket ID: DOD–2018–OS–0029]

Privacy Act of 1974; System of Records

AGENCY: Office of the Secretary, DoD.

ACTION: Notice of a new System of Records.

SUMMARY: The Office of the Secretary of Defense proposes to add a new system of records, Spouse Education and Career Opportunities (SECO) Program, DPR 46 DoD. This program makes available the resources and tools to help military spouses with career exploration and discovery, career education and training, employment readiness, and career connections at any point within the military spouse's career. The records allow the spouse to build a profile including their contact information, education, and employment data. This allows the individual to save information over time in order to easily prepopulate it into tools such as resume builders and career and education planning resources. Records may also be used as a management tool for statistical analysis, tracking, reporting, evaluating program effectiveness and conducting research.

DATES: Comments will be accepted on or before June 20, 2018. This proposed action will be effective on the date following the end of the comment period unless comments are received which result in a contrary determination.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal Rulemaking Portal:* <http://www.regulations.gov>.

Follow the instructions for submitting comments.

- *Mail:* Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350–1700.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Ms. Luz D. Ortiz, Chief, Records, Privacy and Declassification Division (RPD2), 1155 Defense Pentagon, Washington, DC 20301–1155, or by phone at (571) 372–0478.

SUPPLEMENTARY INFORMATION: The Department of Defense (DoD) Spouse Education and Career Opportunities (SECO) Program (DPR 46 DoD) is the primary source of education, career and employment counseling for all military spouses seeking post-secondary education, training, licenses and credentials necessary for portable career employment. The SECO program delivers the resources and tools necessary to assist spouses of service members with career exploration/discovery, career education and training, employment readiness, and career connections at any point within the military spouse's career. It is imperative the DoD collect data to ensure the SECO program meets its overarching goal of increasing employment opportunities for military spouses. The DoD requires the information in the proposed collection for program planning and management purposes. Collected information will ensure the SECO program can assemble relevant metrics and make determinations of program viability and improvement. Additionally, the data collected is utilized to build a spouse profile allowing information to be saved over time and to prepopulate information into tools such as resume builders and career and education planning resources.

This program complies with 10 U.S.C. 1784, Employment Opportunities for

Military Spouses and 10 U.S.C. 1784a, Education and Training Opportunities for Military Spouses to Expand Employment and Portable Career Opportunities by requiring the DoD to assist military spouses with education, training, and career opportunities.

Military spouses may learn about the SECO program in various ways including through the Military OneSource program, installation service providers, from other military spouses and via general online searches. Once aware of the SECO program, a military spouse can access it by simply going online to the following URL: <https://myseco.militaryonesource.mil>. Users are able to review resources at that time or select to log in to create an account.

All information is collected from military spouses online via the SECO system and utilized to provide military spouses with education and employment resources tailored to their specific needs. Military spouse eligibility is verified through the Defense Enrollment Eligibility Reporting Systems (DEERS).

Once logged in, military spouses may opt in to receive email notifications from their account to remind them of outstanding tasks (e.g. completing their profile) and to receive updates on upcoming events and news. Spouses opting into email notifications receive them once per month.

The Office of the Secretary of Defense notices for systems of records subject to the Privacy Act of 1974, as amended, have been published in the **Federal Register** and are available from the address in **FOR FURTHER INFORMATION CONTACT** or at the Defense Privacy, Civil Liberties, and Transparency Division website at <http://defense.gov/privacy>.

The proposed systems reports, as required by the Privacy Act of 1974, as amended, were submitted on April 26, 2018, to the House Committee on Oversight and Government Reform, the Senate Committee on Homeland Security and Governmental Affairs, and the Office of Management and Budget (OMB) pursuant to Section 6 to OMB Circular No. A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," revised December 23, 2016 (December 23, 2016, 81 FR 94424).
