SUPPLEMENTARY INFORMATION:

I. Background

The FAA issued a notice in the **Federal Register** (87 FR 77671, December 19, 2022), announcing the availability of recommendations from the CPR IAWG, encouraged industry review of the CPR IAWG recommendations, and informed the public on the intent to seek input and comments during a forthcoming public meeting.

A copy of the International Authorities Working Group (IAWG) Changed Product Rule (CPR) Recommendations can be downloaded at: https://www.faa.gov/aircraft/air_cert/design_approvals/dah/iawg_cpr_recs.

II. Agenda

At the meeting, the agenda will solicit input on each of the recommendations from the IAWG report in the following manner:

Morning Session

Recommendations applicable to § 21.101 of title 14, Code of Federal Regulations (14 CFR), significant changes to include eliminating impractical exceptions, combining impractical and does not contribute materially to the level of safety exceptions, additional design requirements and conditions, definition of baseline product, cumulative effect

and related changes, proposed revisions to § 21.101, and removing secondary changes.

Afternoon Session

Continue discussion on recommendations applicable to § 21.101 significant changes to include the use of system safety methodologies, documentation of certification basis on certificates and recommendations applicable to § 21.19: Substantial Changes. Input that is supported by data, especially quantifiable data, on use of the CPR process is highly encouraged.

The final meeting agenda will be posted on the FAA website https://www.faa.gov/aircraft/air_cert/design_approvals/dah.

III. Purpose

The purpose of the public meeting is for the FAA to hear the public's views and obtain information relevant to the CPR IAWG recommendations. The FAA will consider comments made at the public meeting as well as comments submitted to the docket.

IV. Public Participation

The meeting will be open to the public on a first-come, first served basis, as space is limited. The FAA will make every effort to accommodate all persons wishing to attend. Persons wishing to attend this one-time meeting in person are requested to register in advance, due to limited space. Please confirm your attendance with the person listed in the

FOR FURTHER INFORMATION CONTACT section. Please provide the following information: full legal name, country of citizenship, name of your industry association or applicable affiliation, your intention to attend in person or virtually, and if you intend to present information at the meeting. There will be 10 minutes allotted for oral comments from each member of the public joining the meeting. To accommodate as many speakers as possible, the time for each commenter may be limited. Additionally, the FAA may end sessions early, per the discretion of the facilitator. The FAA will email virtual registrants the meeting access information in a timely manner prior to the meeting.

Members of the press, in addition to registering for this event, must also RSVP by emailing 9-AVS-DAH-Info@faa.gov by February 20, 2023.

The U.S. Department of Transportation is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids,

please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Issued in Washington, DC, on February 9, 2023.

Victor Wicklund,

Acting Director, Policy & Innovation Division, Aircraft Certification Service.
