OFFICE OF PERSONNEL MANAGEMENT**Proposed Collection; Comment Request for Review of an Expiring Information Collection: OPM FORM 1644**

AGENCY: Office of Personnel Management.

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Public Law 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) intends to submit to the Office of Management and Budget a request for review of an expiring information collection. OPM Form 1644, Child Care Provider Information: Child Care Tuition Assistance Program for Federal

Employees, is used to verify that child care providers are licensed and/or regulated by local and/or State authorities. Agencies need to know that child care providers to whom they make disbursements in the form of tuition assistance subsidies, are licensed and/or regulated by local and/or State authorities.

Pub. L. 106-58, passed by Congress on September 29, 1999, permits Federal agencies to use appropriated funds to help their lower income employees with their costs for child care. It is up to the agencies to decide on whether to implement this law. This is a new law and the extent to which it will be implemented, including the number of providers that will be involved, cannot be easily predicted. We estimate approximately 3000-5000 OPM 1644 forms will be completed annually. The form will take approximately 10 minutes to complete by each provider.

The annual estimated burden is 83.5 hours.

Comments are particularly invited on:

- Whether the form adequately captures the information needed to verify child care provider State and/or local licensure and regulation;
- Whether our estimate of the public burden of this collection is accurate, and based on valid assumptions and methodology; and
- Ways in which we can minimize the burden of the collection of information on those who are to respond, through use of the appropriate technological collection techniques or other information collection strategies.
