#### Certain Brake Drums From the People's Republic of China and the Republic of Türkiye: Countervailing Duty Orders

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** Based on affirmative final determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC), Commerce is issuing countervailing duty (CVD) orders on certain brake drums (brake drums) from the People's Republic of China (China) and the Republic of Türkiye (Türkiye).

**DATES:** Applicable August 12, 2025.

#### FOR FURTHER INFORMATION CONTACT:

Charles Doss (Türkiye), Office III; telephone: (202) 482-4474; and Nathan James (China), Office V, telephone: (202)-482-5305; AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On June 18, 2025, Commerce published in the **Federal Register** its affirmative final determinations in the CVD investigations of brake drums from China and Türkiye.<sup>1</sup> On August 4, 2025, the ITC notified Commerce of its final determinations, pursuant to section 705(d) of the Tariff Act of 1930, as amended (the Act), that an industry in the United States is materially injured within the meaning of section 705(b)(1)(A)(i) of the Act by reason of imports of brake drums from China and Türkiye.<sup>2</sup>

##### Scope of the Orders

The products covered by these orders are brake drums from China and Türkiye. For a complete description of the scope of these orders, *see* the appendix to this notice.

##### Countervailing Duty Orders

Based on the affirmative final determinations by the ITC that an industry in the United States is materially injured by reason of subsidized imports of brake drums from China and Türkiye,<sup>3</sup> in accordance with sections 705(c)(2) and 706(a) of the Act, Commerce is issuing these CVD orders. Because the ITC determined that imports of brake drums from China and Türkiye are materially injuring a U.S. industry, unliquidated entries of such merchandise entered, or withdrawn from warehouse, for consumption, are subject to the assessment of countervailing duties.

Therefore, in accordance with section 706(a) of the Act, Commerce will direct CBP to assess, upon further instructions

by Commerce, countervailing duties on unliquidated entries of brake drums from China and Türkiye, or withdrawn from warehouse, for consumption on or after December 3, 2024, the date of publication of the *Preliminary Determinations*,<sup>4</sup> but will not include entries occurring after the expiration of the provisional measures period and before the publication of the ITC's final injury determination under section 705(b) of the Act, as further described below.

##### Suspension of Liquidation and Cash Deposits

In accordance with section 706 of the Act, Commerce intends to instruct CBP to reinstitute the suspension of liquidation of brake drums from China and Türkiye, effective on the date of publication of the ITC's final affirmative injury determination in the **Federal Register**, and to assess, upon further instruction by Commerce, pursuant to section 706(a)(1) of the Act, countervailing duties on each entry of subject merchandise in an amount based on the net countervailable subsidy rates below. These instructions suspending liquidation will remain in effect until further notice.

Commerce also intends, pursuant to section 706(a)(1) of the Act, to instruct CBP to require cash deposits equal to the amounts as indicated below. Accordingly, effective on the date of publication of the ITC's final affirmative injury determination in the **Federal Register**, CBP will require, at the same time as importers would normally deposit estimated customs duties on the subject merchandise, a cash deposit for each entry of subject merchandise equal to the subsidy rates listed below.<sup>5</sup> The all-others rates apply to all producers or exporters not specifically listed below, as appropriate.

##### Estimated Countervailable Subsidy Rates

The estimated countervailable subsidy rates are as follows:

Company	Subsidy rate (percent <i>ad valorem</i> )
