BILLING CODE 9111-14-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2023-0013; OMB No. 1660-0022]

Agency Information Collection Activities: Submission for OMB Review, Comment Request; Community Rating System—Application Letter & Quick Check; Community Annual Recertification; Environmental & Historic Preservation Certification; NFIP Repetitive Loss Update Form

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30-Day notice of renewal and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission seeks comments concerning the application for the National Flood Insurance Program's (NFIP's) Community Rating System (CRS) program. This program allows communities to become eligible for discounts on the cost of flood insurance when the communities undertake activities to mitigate anticipated damage due to flooding. The application materials verify and document the community mitigation activities performed and provides FEMA with the information necessary to determine what flood insurance premium discounts are appropriate for participating communities.

DATES: Comments must be submitted on or before November 16, 2023.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, FEMA-Information-Collections-Management@

fema.dhs.gov or Bill Lesser, Program Specialist, Federal Insurance and Mitigation Administration, (202) 646-2807, FEMA-CRS@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The Community Rating System (CRS), codified by the National Flood Insurance Act of 1968, as amended (42 U.S.C. 4022), was designed by the Federal Emergency Management Agency (FEMA) to encourage communities to undertake activities that will mitigate flooding and flood damage beyond the minimum standards for NFIP participation. This ratings system is a voluntary program for communities, and it would provide a method by which flood mitigation activities engaged in by these communities could be measured. The effect of this mitigation activity would reduce the exposure of the communities to damage resulting from flooding and in turn reduce the losses incurred as a result of this flooding. To encourage participation, discounts on flood insurance are offered within communities that successfully complete qualified mitigation actions, and the community ratings system provides the ability to measure these actions and to recertify the communities in successive years.

This proposed information collection previously published in the **Federal Register** on May 31, 2023, at 88 FR 34873 with a 60-day public comment period. Two public comments were received with one comment providing edits that FEMA has incorporated and one comment that is not germane to this collection. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
