

rebuttal briefs are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.

Unless extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, AD duties on all appropriate entries covered by this review.¹⁵ Because Commerce is rescinding this administrative review with respect to Crown, Commerce will instruct CBP to assess antidumping duties on all appropriate entries of PRCBs from China from Crown during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i).

With respect to Nozawa if we continue to find that Nozawa had no shipments of subject merchandise in the final results, then following the issuance of the final results of review, Commerce will instruct CBP to liquidate any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) at the China-wide rate.¹⁶

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a

timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 77.57 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter (or, if unidentified, that of the China-wide entity). These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing these preliminary results in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: April 13, 2022.

Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Department of Commerce is responsible for the Baldrige Performance Excellence Program (BPEP) and the Malcolm Baldrige National Quality Award (MBNQA), the nation's highest award for organizational performance excellence. Directly associated with this award is the Board of Examiners, an integral volunteer workforce for BPEP. NIST manages BPEP. An applicant organization for the MBNQA is required to perform two steps: (1) The applicant organization

¹⁴ See 19 CFR 351.309(c)(2) and (d)(2).

¹⁵ See 19 CFR 351.212(b)(1).

¹⁶ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65695 (October 24, 2011).

self-certifies that it meets eligibility requirements with an eligibility form; and (2) the applicant organization prepares and completes an application package. BPEP will assist with or offer advice on any questions or issues that the applicant may have concerning the eligibility or application processes; this includes BPEP staff manning a hotline during the week and on weekends for organizations to call or email. With the help of the Board of Examiners, BPEP will use the eligibility forms and application package to assess and provide feedback on the applicant's performance excellence practices. These practices could lead to a MBNQA awarded by the President of the United States or his delegate.

Per Public Law 100–107 (Malcolm Baldrige National Quality Improvement Act of 1987), the MBNQA helps to stimulate American companies to improve quality and productivity for the pride of recognition while obtaining a competitive edge through increased profits; recognizes the achievements of those companies that improve the quality of their goods and services and provide an example to others; establishes guidelines and criteria that can be used by business, industrial, governmental, and other organizations in evaluating their own quality improvement efforts; and provides specific guidance for other American organizations that wish to learn how to manage for high quality by making available detailed information on how winning organizations were able to change their cultures and achieve eminence.

The application to be a member of the Board of Examiners is a one-step, secure, online process. Each year, BPEP recruits highly skilled experts in the fields of manufacturing, service, small business, health care, education, and nonprofit, the six Award eligibility categories, to evaluate the applications that BPEP receives. Examiners serve for a one-year term; participation on the board is entirely voluntary. Examiners receive three- to four-days of free on-site training (depending on experience level).

BPEP's mission to improve the competitiveness and performance of U.S. organizations for the benefit of all U.S. residents.

II. Method of Collection

MBNQA applicant organizations must comply in writing according to the Eligibility Certification Form and Baldrige Award Application Form available at http://www.nist.gov/baldrige/enter/how_to_apply.cfm. Information on the application for the

Board of Examiners can be found at <http://www.nist.gov/baldrige/examiners/index.cfm>. BPEP will electronically send a unique user ID and password (separate emails) on how applicants to the Board of Examiners can apply to the secure system.
