SUPPLEMENTARY INFORMATION:**Correction**

In the **Federal Register** of October 11, 2022, in FR Doc 2022-22001, on page 61291, in the first and second columns, Commerce listed an incorrect subsidy rate of 3.38 percent applicable to non-selected companies subject to the 2020 review in the paragraphs “Background” and “Cash Deposit Rates.”¹ The correct subsidy rate applicable to non-selected companies subject to the 2020 administrative review is 3.83 percent.

Background

On August 9, 2022, Commerce published the final results of the 2020 administrative review of the CVD order on softwood lumber from Canada.² October 11, 2022, Commerce issued an amendment to the final results to confirm that the following companies are included among the firms subject to

With the issuance of this notice of correction, we confirm that the subsidy rate for non-selected companies as a result of the 2020 administrative review is 3.83 percent.
