■ 1. The authority citation for part 38 continues to read as follows:

■ 2. The stay is lifted on paragraph (b) of Core Principle 15 in Appendix B to 17 CFR Part 38.

(2) * * *

(ii) In addition, a director shall be considered to have a “material relationship” with the contract market if any of the following circumstances exist:

(A) The director is an officer or employee of the contract market or an officer or employee of its affiliate. In this context, “affiliate” includes parents or subsidiaries of the contract market or entities that share a common parent with the contract market;

(B) The director is a member of the contract market, or an officer or director of a member. “Member” is defined according to Section 1a(24) of the Commodity Exchange Act and Commission Regulation 1.3(q);

(C) The director, or a firm with which the director is an officer, director, or partner, receives more than \$100,000 in combined annual payments from the contract market, or any affiliate of the contract market (as defined in Subsection (2)(ii)(A)), for legal, accounting, or consulting services. Compensation for services as a director of the contract market or as a director of an affiliate of the contract market does not count toward the \$100,000 payment limit, nor does deferred compensation for services prior to becoming a director, so long as such compensation is in no way contingent, conditioned, or revocable;

(D) Any of the relationships above apply to a member of the director’s “immediate family,” *i.e.*, spouse, parents, children and siblings.

(iii) All of the disqualifying circumstances described in Subsection (2)(ii) shall be subject to a one-year look back.

(iv) A contract market’s public directors may also serve as directors of the contract market’s affiliate (as defined in Subsection (2)(ii)(A)) if they otherwise meet the definition of public director in this Section (2).

(v) A contract market shall disclose to the Commission which members of its board are public directors, and the basis for those determinations.
