Notice of Intent To Prepare a Land Use Plan Amendment To Provide for a Proposed Direct Land Sale

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Pursuant to 43 CFR Part 1600, the Bureau of Land Management (BLM) Upper Snake Field Office (USFO) proposes to amend the Medicine Lodge Resource Management Plan (RMP) to identify a 1.25 acre parcel of public land for disposal in Bonneville County, Idaho. Additionally, the USFO proposes to patent the parcel to Dale E. McDowell, Louise J. Prudhomme, and George McDowell reserving a conservation easement to the United States.

DATES: Comments regarding the proposed plan amendment must be received by April 10, 2006.

ADDRESSES: Written comments should be sent to Wendy Reynolds, Field Manager, Upper Snake Field Office, 1405 Hollipark Drive, Idaho Falls, Idaho 83401.

FOR FURTHER INFORMATION CONTACT: Additional information concerning the proposed plan amendment may be obtained by contacting Deena Teel, NEPA Coordinator, or Skip Staffell, Realty Specialist, at the above address or by calling (208) 524-7500.

SUPPLEMENTARY INFORMATION: The following described public land in Bonneville County, Idaho, will be examined for possible disposal by direct sale under sections 203 and 209 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1713 and 1719.

Boise Meridian, Idaho

T. 2 N., R 43 E.,

Sec. 17, N $\frac{1}{2}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$ NW $\frac{1}{4}$

The land described above contains approximately 1.25 acres.

Upon publication of this notice in the **Federal Register**, the land described above will be segregated from appropriation under the public land laws, including the mining laws, but not the mineral leasing laws, except for the

sale provisions of FLPMA for a period of 270 days.

An environmental assessment will be completed for this action. If the land is found suitable for disposal, the United States would offer it for direct sale to Dale E. McDowell, Louise J. Prudhomme, and George McDowell at fair market value, with a conservation easement retained by the BLM. The public is invited to provide scoping comments on the issues that should be addressed in the preparation of the plan amendment, including; lands, wildlife, migratory birds, recreation, wilderness, range, minerals, cultural resources, watershed/soils, threatened/endangered species, and hazardous materials. Staff specialists representing these resources will make up the planning team.

Planning issues will include the same planning criteria originally considered for the Medicine Lodge RMP; however, issues for this amendment are expected to primarily involve the adjustment of land tenure. No public meetings are scheduled.

Current land use planning information is available at the BLM Upper Snake Field Office. Office hours are 7:45 a.m. to 4:30 p.m., Monday through Friday except holidays.

Dated: January 17, 2006.

DEPARTMENT OF JUSTICE

Civil Rights Division; Office of Special Counsel for Immigration Related Unfair Employment Practices, Immigration Related Employment Discrimination Public Education Grants

AGENCY: Office of Special Counsel for Immigration Related Unfair Employment Practices, Civil Rights Division, U.S. Department of Justice.

ACTION: Notice of availability of funds and solicitation for grant applications.

SUMMARY: The Office of Special Counsel for Immigration Related Unfair Employment Practices (OSC) announces the availability of funds for grants to conduct public education programs about the rights afforded potential victims of employment discrimination and the responsibilities of employers under the anti-discrimination provision of the Immigration and Nationality Act (INA), 8 U.S.C. 1324b. It is anticipated that a number of grants will be competitively awarded to applicants who can demonstrate a capacity to design and successfully implement public education campaigns to address immigration related unfair employment discrimination. Grants may range in size from \$35,000 to \$100,000. Applicants must demonstrate the ability to educate workers, employers and/or the general public about the anti-discrimination provision of the INA. OSC welcomes proposals from diverse public service groups, organizations or associations providing information services to employers and/or potential victims of discrimination, and faith-based organizations and nonprofit groups providing services and assistance to potential victims of discrimination.

DATES: *Application Due Date:* April 7, 2006.

FOR FURTHER INFORMATION CONTACT:

Katherine A. Baldwin, Deputy Special Counsel, Office of Special Counsel for Immigration Related Unfair Employment Practices, 950 Pennsylvania Ave., Washington, DC 20530. Tel. (202) 616-5594, or (202) 616-5525 (TDD for the hearing impaired).

SUPPLEMENTARY INFORMATION: The Office of Special Counsel for Immigration Related Unfair Employment Practices of the Civil Rights Division of the Department of Justice announces the availability of funds to conduct cost effective public education programs concerning the anti-discrimination provision of the INA. Funds will be awarded to selected applicants who propose cost-effective ways of educating employers, workers covered by this statute, community service providers, and/or the general public.

Background: The Immigration and Nationality Act protects work authorized individuals from employment discrimination based on their citizenship status and/or national origin. Federal law also makes knowingly hiring unauthorized workers unlawful, and requires employers to verify the identity and employment eligibility of all new employees. Employers who violate this law are subject to sanctions, including fines and

possible criminal prosecution.

Employers of four or more employees are prohibited from discriminating on the basis of citizenship status or national origin with respect to hiring, firing, recruitment or referral for a fee. They are also prohibited from committing "document abuse" on the basis of national origin or citizenship status in the employment eligibility verification process. U.S. citizens and certain classes of work authorized individuals are protected from citizenship status discrimination. Protected non-citizens include:

- Legal Permanent Residents;
- Refugees;
- Asylees; and
- Temporary Residents.

Citizens and all work authorized individuals are protected from discrimination on the basis of national origin. However, under the INA the prohibition against national origin discrimination applies only to employers with four to fourteen employees. National origin discrimination complaints against employers with fifteen or more employees fall under the jurisdiction of the Equal Employment Opportunity Commission pursuant to Title VII of the Civil Rights Act of 1964, 42 U.S.C. 2000e, *et seq.* In addition, under the document abuse provision of the law, employers cannot request more or different documents than are required for completion of the Employment Eligibility Verification (I-9) Form, prefer or require one form of documentation over another, or refuse documents that appear reasonably genuine on their face, if made for the purpose or with the intent of discriminating against an individual on the basis of national origin or citizenship status. OSC is responsible for receiving and investigating discrimination charges and, when appropriate, filing complaints with specially designated administrative law judges. OSC also initiates independent investigations of possible immigration-related job discrimination. While OSC has established a record of vigorous enforcement, studies have shown that there is an extensive lack of knowledge on the part of protected individuals and employers about the anti-discrimination provision of the INA. Enforcement cannot be effective if potential victims of discrimination are not aware of their rights. Moreover, discrimination can never be eradicated so long as employers are not aware of their responsibilities.

Purpose: OSC seeks to educate both workers and employers about their rights and responsibilities under the
