Summary

Notice of this meeting is given under section 10(a)(2) of the Federal Advisory Committee Act, (FACA), 5 U.S.C. App. (Pub. L. 92-463). The Aviation Security Advisory Committee operates under the authority of 6 U.S.C. 451 and provides advice and recommendations for improving aviation security measures to the Administrator of TSA.

For the closed portion of the meeting, the ASAC will receive SSI briefings on aviation threat intelligence and changes to passenger screening procedures. The second portion of the meeting will be open to the public and will focus on items listed in the "Meeting Agenda" section below. Members of the public and all non-ASAC members and staff must register in advance with their full name to attend. Due to space constraints the meeting is limited to 75 people, including ASAC members and staff, on a first to register basis. Attendees are required to present government-issued photo identification to verify identity.

In addition, members of the public must make advance arrangements, as stated below, to present oral or written statements specifically addressing issues pertaining to the items listed in

the "Meeting Agenda" section below. The public comment period will begin at 11:30 a.m., depending on the meeting progress. Speakers are requested to limit their comments to three minutes.

Contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section no later than September 26, 2014, to register to attend the meeting and/or to present oral or written statements addressing issues pertaining to the items listed in the "Meeting Agenda" section below. Anyone in need of assistance or a reasonable accommodation for the meeting should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Basis for Closure

In accordance with sec. 10(d) of the Federal Advisory Committee Act (FACA), TSA has determined that this meeting requires partial closure. The meeting will be closed to the public in accordance with the provisions set forth under 5 U.S.C. 552b(c)(3), (c)(7)(E)-(F) and (c)(9)(B), as amended.

The briefing will include SSI, as that term is defined under 49 U.S.C. 114(r) and 49 CFR part 1520.² SSI includes information that if released would be detrimental to the security of transportation, and therefore may not be disclosed to the general public. Accordingly, this portion of the meeting is closed under 5 U.S.C. 552b(c)(3). During the course of the partially closed meeting the ASAC will be providing SSI briefings on aviation threat intelligence and recent passenger screening procedure changes. There will be material presented regarding the latest viable threats against U.S. aviation security and how the TSA plans to address those threats using a risk-based security framework. Further, providing this information to the public could provide terrorists with a road map regarding TSA's and DHS's plans to counter their actions, and thus allow them to take different actions to avoid counterterrorism measures.

Under 5 U.S.C. 552b(c)(7)(E)-(F), disclosure of this information could reveal investigative techniques and procedures not generally available to the public, allowing those with interests against the United States to circumvent the law, thereby endangering the life or physical safety of law enforcement personnel. Additionally, premature disclosure of this information would be likely to significantly frustrate the successful implementation of measures designed to counter terrorist acts. See 5 U.S.C. 552b(c)(9)(B). Accordingly, partial closure of the October 3, 2014,

² *Id.*

ASAC meeting is warranted under 5 U.S.C. 552b(c)(3), (c)(7)(E)-(F) and (c)(9)(B), as amended.

Copies of available documents submitted to OMB may be obtained from Ms. Schmutzler.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

A. Overview of Information Collection

Title of Information Collection:
Continuum of Care Homeless Assistance Grant Application—Continuum of Care Registration.

OMB Approval Number: 2506-0182.

Type of Request: Revision of a currently approved collection.

Form Number: Not Applicable.

Description of the need for the information and proposed use: The regulatory authority to collect this information is contained in 24 CFR part 579, and the HEARTH Act. The CoC Homeless Assistance Application Registration (OMB 2506-0182) is the first part of the information collection process to be used in HUD's annual competitive homeless assistance program, the CoC Program, authorized by the HEARTH Act. It is separate from the annual CoC Homeless Assistance Consolidated Application, which contains the CoC Application and the Project Applications that are covered under the approved PRA package 2506-0112. This separation is necessary due in to the fact that the CoC Registration occurs several months before collection of the CoC Homeless Assistance Consolidated Application and that the information collected during CoC Registration does not frequently change.

The annual CoC Registration comprises the first phase of the combined CoC Homeless Assistance information collection form. During this phase, HUD collects the contact information of the collaborative applicant for the CoC, and the HMIS Lead Agency as well as the geographic areas served by the CoC applicant.
