Need and Use: EXIM's financial institution policy holders provide this form to U.S. exporters, who certify to the eligibility of their exports for EXIM support. The completed forms are held by the financial institution policy holders, only to be submitted to EXIM in the event of a claim filing. A requirement of EXIM's policies is that the insured financial institution policy holder obtains a completed Exporter's Certificate at the time it provides financing for an export. This form will enable EXIM to identify the specific details of the export transaction necessary for determining the eligibility of claims for approval. EXIM staff and contractors review this information to

assist in determining that an export transaction, on which a claim for non-payment has been submitted, meets all the terms and conditions of the insurance coverage. EXIM uses the referenced form to obtain exporter certification regarding the export transaction, U.S. content, non-military use, non-nuclear use, compliance with EXIM's country cover policy, and their eligibility to participate in USG programs. These details are necessary to determine the legitimacy of claims submitted. It also provides the financial institution policy holder a check on the export transaction's eligibility, at the time it is fulfilling a financing request.

Affected Public: This form affects entities involved in the export of U.S. goods and services.

Annual Number of Respondents: 240.
Estimated Time per Respondent: 15 minutes.

Need and Use: This form is used by an exporter (or broker acting on its behalf) in order to obtain approval for coverage of the repayment risk of export sales. This is the application form for use by small U.S. businesses with limited export experience. Companies that are eligible to use the Express policy will need to answer approximately 32 questions and sign an acknowledgement of the certifications that appear on the reverse of the application form.
