

(75 FR 25238) their notice of availability of the draft EIS.

Public Review

Copies of the final FEIS, HCP, and IA are available for review (see **FOR FURTHER INFORMATION CONTACT** above). Any comments we receive will become part of the administrative record and will be available to the public. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will honor your request to withhold your personal information to the extent allowable by law.

We will evaluate the application, associated documents, and comments submitted to determine whether the application meets the requirements of the ESA and NEPA. A permit decision will be made no sooner than 30 days after the publication of the EPA's final EIS notice in the **Federal Register**, completion of the Record of Decision and the Services' ESA decision documents. If the Services determine that all requirements are met, we will issue ITPs under section 10(a)(1)(B) of the ESA to Kent for take of the covered species, incidental to otherwise lawful activities in accordance with the HCP, the IA, and the ITPs.
