

Act if the exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies of the Act. Applicants believe that the relief is appropriate because the Fund can provide a convenient and cost-effective means of accessing certain asset classes that provide potentially favorable returns and can produce administrative and other efficiencies and diversify risk across a number of investments. Applicants also believe that the requested relief is consistent with the protection of investors because shares of the Fund will be available only to Qualified Purchasers. Finally, applicants state that the relief is consistent with the purposes intended by the policies of the Act because, as discussed above, it does not raise the concerns addressed by section 22(e) of the Act and rule 22c-1 thereunder.

Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. The Fund's outstanding securities will be owned exclusively by persons who are Qualified Purchasers, as defined in section 2(a)(51) of the Act and the rules thereunder.
2. The Fund will adopt a fundamental policy, which may be changed only by a majority vote of the outstanding voting securities of the Fund and only upon approval by the Commission or its staff, that will specify the circumstances in which the Fund will redeem its shares, such that (a) the Fund will have a 31 day rolling deadline to pay redemptions after a shareholder has requested redemption, and (b) will calculate its NAV applicable to a redemption request on the next Redemption Pricing Date following a redemption request, which will be 24 days after a shareholder has requested redemption.
3. At least 85% of the assets of the Fund will consist of assets:
 - (a) That the Fund reasonably believes may be sold or disposed of in the ordinary course of business, at approximately the price used in computing the Fund's NAV, within the period between a tender of shares and the next Redemption Payment Date, or
 - (b) That mature by the next Redemption Payment Date.
4. The Board of the Fund, including a majority of the disinterested trustees, will adopt written procedures designed to ensure that the Fund will comply with the terms and conditions of the requested order. The Board will review these procedures at least annually and

approve such changes as it deems necessary.

5. The Fund will not hold itself out as a "mutual fund." The Fund will disclose its redemption policy on the cover page of its offering memorandum and in any marketing materials.

By the Commission.

Secretary.

Applicants' Representations

1. The Trust is organized as a Delaware statutory trust and is registered under the Act as an open-end management investment company. The Adviser is organized as a Delaware corporation and is registered as an investment adviser under the Investment Advisers Act of 1940, as amended. The Adviser serves as the investment adviser to each existing series of the Trust (together with future series of the Trust, the "Funds").

2. Applicants request the exemption on behalf of the Trust, the Funds, and all other existing or future open-end management investment companies or series thereof advised by the Adviser or an entity controlling, controlled by, under common control with the Adviser that are registered under the Act and are in the same group of investment companies, as defined in section 12(d)(1)(G) of the Act, as the Trust (together with the Funds, the "Applicant Funds"). The exemption would permit an Applicant Fund that may invest in other Applicant Funds in reliance on Section 12(d)(1)(G) of the Act, and that is eligible to invest in securities (as defined in section 2(a)(36) of the Act) in reliance on rule 12d1-2 under the Act ("Fund of Funds"), to also invest, to the extent consistent with its investment objective, policies, strategies and limitations, in financial instruments that may not be securities within the meaning of section 2(a)(36) of the Act ("Other Investments").¹

3. Consistent with its fiduciary obligations under the Act, each Fund of Funds' board of trustees or directors will review the advisory fees charged by the Fund of Funds' investment adviser to ensure that they are based on services provided that are in addition to, rather

than duplicative of, services provided pursuant to the advisory agreement of any investment company in which the Fund of Funds may invest.

Applicants' Legal Analysis

1. Section 12(d)(1)(A) of the Act provides that no registered investment company ("acquiring company") may acquire securities of another investment company ("acquired company") if such securities represent more than 3% of the acquired company's outstanding voting stock or more than 5% of the acquiring company's total assets, or if such securities, together with the securities of other investment companies, represent more than 10% of the acquiring company's total assets. Section 12(d)(1)(B) of the Act provides that no registered open-end investment company may sell its securities to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company's voting stock, or cause more than 10% of the acquired company's voting stock to be owned by investment companies and companies controlled by them.

2. Section 12(d)(1)(G) of the Act provides that section 12(d)(1) will not apply to securities of an acquired company purchased by an acquiring company if: (a) The acquiring company and acquired company are part of the same group of investment companies; (b) the acquiring company holds only securities of acquired companies that are part of the same group of investment companies, government securities, and short-term paper; (c) the aggregate sales loads and distribution-related fees of the acquiring company and the acquired company are not excessive under rules adopted pursuant to section 22(b) or section 22(c) of the Act by a securities association registered under section 15A of the Exchange Act or by the Commission; and (d) the acquired company has a policy that prohibits it from acquiring securities of registered open-end management investment companies or registered unit investment trusts in reliance on section 12(d)(1)(F) or (G) of the Act.

3. Rule 12d1-2 under the Act permits a registered open-end investment company or a registered unit investment trust that relies on section 12(d)(1)(G) of the Act to acquire, in addition to securities issued by another registered investment company in the same group of investment companies, government securities, and short-term paper: (1) Securities issued by an investment company that is not in the same group of investment companies, when the acquisition is in reliance on section

12(d)(1)(A) or 12(d)(1)(F) of the Act; (2) securities (other than securities issued by an investment company); and (3) securities issued by a money market fund, when the investment is in reliance on rule 12d1-1 under the Act. For the purposes of rule 12d1-2, "securities" means any security as defined in section 2(a)(36) of the Act.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction from any provision of the Act, or from any rule under the Act, if such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act.

5. Applicants state that the proposed arrangement would comply with the provisions of rule 12d1-2 under the Act, but for the fact that the Fund of Funds may invest a portion of their assets in Other Investments. Applicants request an order under section 6(c) of the Act for an exemption from rule 12d1-2(a) to allow the Fund of Funds to invest in Other Investments. Applicants assert that permitting the Fund of Funds to invest in Other Investments as described in the application would not raise any of the concerns that the requirements of section 12(d)(1) were designed to address.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Applicants will comply with all provisions of rule 12d1-2 under the Act, except for paragraph (a)(2) to the extent that it restricts any Fund of Funds from investing in Other Investments as described in the application.

For the Commission, by the Division of Investment Management, under delegated authority.

Elizabeth M. Murphy,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 60203; File No. SR-NASDAQ-2009-053]

Securities Exchange Act of 1934; In the Matter of The NASDAQ Stock Market LLC

June 30, 2009.

Order of Summary Abrogation

Notice is hereby given that the Securities and Exchange Commission

("Commission"), pursuant to Section 19(b)(3)(C) of the Securities Exchange Act of 1934 ("Act"),¹ is summarily abrogating a certain proposed rule change of The NASDAQ Stock Market LLC ("NASDAQ" or "Exchange").

On June 24, 2009, NASDAQ filed SR-NASDAQ-2009-053. The proposed rule change establishes a four-month pilot program that would reduce transaction fees for members that trade equities on NASDAQ provided that they also make markets in options on the NASDAQ OMX PHLX, Inc. ("Phlx") options exchange. The proposed rule change was immediately effective upon filing with the Commission pursuant to Section 19(b)(3)(A) of the Act.²

Pursuant to Section 19(b)(3)(C) of the Act,³ at any time within 60 days of the date of filing a proposed rule change pursuant to Section 19(b)(1) of the Act,⁴ the Commission may summarily abrogate the change in the rules of the self-regulatory organization and require that the proposed rule change be re-filed in accordance with the provisions of Section 19(b)(1) of the Act⁵ and reviewed in accordance with Section 19(b)(2) of the Act,⁶ if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

NASDAQ proposes to offer a reduced transaction fee for securities listed on NASDAQ and the New York Stock Exchange LLC ("NYSE") only to member firms that: (1) Make markets in 400 or more options classes as a Specialist, Streaming Quote Trader, or Remote Streaming Quote Trader on Phlx; and (2) add average daily volume of 35 million shares of liquidity on NASDAQ. Member firms meeting these criteria would pay a reduced transaction fee of \$0.0027 per share executed on NASDAQ for securities listed on NASDAQ or NYSE. The Commission is concerned about whether the proposal is consistent with the statutory requirements applicable to a national securities exchange under the Act, including, among other provisions, Section 6(b)(4) of the Act,⁷ which requires that the rules of a national securities exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other parties
