BILLING CODE 4140-01-M

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Availability of a Habitat Conservation Plan and Receipt of an Application for an Incidental Take Permit for the Prairie City Crossing Project, Folsom, Sacramento County, CA

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability.

SUMMARY: Regency Realty has applied to the Fish and Wildlife Service (Service) for an incidental take permit pursuant to section 10(a)(1)(B) of the Endangered

Species Act of 1973, as amended (Act). The Service proposes to issue a 2-year permit to Regency Realty that would authorize take of the threatened valley elderberry longhorn beetle (*Desmocerus californicus dimorphus*; beetle) incidental to otherwise lawful activities. Such take would occur as a result of development of a supermarket, parking lot, and service station on the Prairie City Crossing Project site in Folsom, Sacramento County, California.

The application includes a Habitat Conservation Plan (Plan). The Plan describes the proposed project and the measures that Regency Realty would undertake to minimize and mitigate take of the beetle, as required in section 10(a)(2)(B) of the Act. Development would result in the loss of 1 elderberry plant with 4 stems that provide habitat for the beetle. We request comments on the Plan.

We also request comments on our preliminary determination that the Plan qualifies as a "low-effect" Habitat Conservation Plan, eligible for a categorical exclusion under the National Environmental Policy Act. The basis for this determination is discussed in an Environmental Action Statement, which is also available for public review.

This notice is provided pursuant to section 10(a) of the Act and National Environmental Policy Act regulations (40 CFR 1506.6). The Plan and the Environmental Action Statement are available for review and comment by other agencies and the public. All comments received, including names and addresses, will become part of the public record and will be available for review pursuant to section 10(c) of the Act.

DATES: Written comments must be received no later than April 17, 2000.

ADDRESSES: Send written comments to Mr. Wayne White, Field Supervisor, Fish and Wildlife Service, 2800 Cottage Way, Suite W-2605, Sacramento, California 95825-1846. Comments may be sent by facsimile to 916-414-6610.
