Malleable Cast Iron Pipe Fittings from the People’s Republic of China: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 5, 2007.

FOR FURTHER INFORMATION CONTACT: Jennifer Moats, AD/CVD Operations, Office 8, Import Administration, Room 1870, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–5047.

SUPPLEMENTARY INFORMATION:

Background

On December 1, 2006, the Department of Commerce (“the Department”) published a notice of opportunity to request an administrative review of the antidumping duty order on malleable cast iron pipe fittings from the People’s Republic of China (“PRC”). See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 71 FR 69543 (December 1, 2006). On December 15, 2006, Beijing Sai Lin Ke Hardware Co., Ltd. (“SLK”) requested that the Department conduct a review of its sales and entries of subject merchandise into the United States. On January 3, 2007, Mueller Comercial de México, D. de R.L. de C.V. (“Mueller”) requested that the Department conduct an administrative review of its sales and entries of subject merchandise into the United States. On January 4, 2007, SLK withdrew its request for review. On January 31, 2007, Mueller withdrew its request for an

administrative review.¹ No other parties requested a review. On February 2, 2007, the Department published the *Initiation Notice* covering Mueller, and issued an antidumping duty questionnaire to Mueller for the administrative review of the antidumping duty order on malleable cast iron pipe fittings from the PRC with respect to Mueller for the period December 1, 2005, through November 30, 2006.

Rescission of Review

The Department’s regulations at 19 CFR 351.213(d)(1) provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation of the requested review, or withdraws its request at a later date if the Department determines that it is reasonable to extend the time limit for withdrawing the request. Mueller timely withdrew its request before the 90-day deadline. Therefore, we are rescinding this review of the antidumping duty order on malleable cast iron pipe fittings from the PRC covering the period December 1, 2005, through November 30, 2006. The Department intends to issue assessment instructions to U.S. Customs and Border Protection 15 days after of publication of this rescission.

Notification Regarding APOs

This notice also serves as a reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

¹ Although Mueller submitted its withdrawal of its request for review before the *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 72 FR 5005 (February 2, 2007) (“*Initiation Notice*”), published in the **Federal Register**, Mueller’s withdrawal was submitted after the *Initiation Notice* had been transmitted to the **Federal Register** for publication.

Dated: February 27, 2007.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 5, 2007.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita or Matthew Quigley, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–4243 or (202) 482–4551, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 28, 2005, the Department of Commerce (“the Department”) published in the **Federal Register** a notice of initiation of the antidumping duty administrative review of Polyethylene Retail Carrier Bags (“PRCBs”) from the People’s Republic of China (“PRC”) for the period January 26, 2004, through July 31, 2005. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631 (September 28, 2005). On September 13, 2006, the Department published the preliminary results. See *Polyethylene Retail Carrier Bags from the People’s Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 71 FR 54021 (September 13, 2006) (“*Preliminary Results*”). On January 10, 2007, the Department extended the time period for completion of the final results of this review. See *Polyethylene Retail Carrier Bags from the People’s Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review*, 72 FR 1216 (January 10, 2007). On February 15, 2007, the Department extended the time period for completion of the final results of this review a second time. See *Polyethylene Retail*

Carrier Bags from the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review, 72 FR 7417 (February 15, 2007). The final results are currently due by February 26, 2007.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary determination is published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the administrative review of PRCBs from the PRC by February 26, 2007, due to complex issues related to the calculation of surrogate financial ratios. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review to 180 days after publication of the *Preliminary Results*. Therefore, the final results are now due no later than March 12, 2007.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: February 26, 2007.

Deputy Assistant Secretary for Import Administration.

Stainless Steel Bar from India: Notice of Extension of Time Limit for the Preliminary Results of the 2006 New Shipper Review

AGENCY: Import Administration, International Trade Administration, Commerce.

EFFECTIVE DATE: March 5, 2007.

FOR FURTHER INFORMATION CONTACT: Devta Ohri or Brandon Farlander, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution

Avenue, NW, Washington, DC 20230, telephone (202) 482-3853 or (202) 482-0182, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act) and section 351.214(i)(1) of the Department of Commerce's (Department) regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and the final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines that the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department's regulations allow the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

Background

On September 26, 2006, the Department published a notice of initiation of a new shipper review of the antidumping duty order on stainless steel bar from India for Ambica Steels Limited (Ambica), covering the period February 1, 2006 through July 31, 2006. *See Stainless Steel Bar from India: Notice of Initiation of Antidumping Duty New Shipper Review*, 71 FR 56105 (September 26, 2006). On January 24, 2007, the Department initiated a cost investigation of Ambica. The preliminary results for this review are currently due no later than March 19, 2007.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. Because the Department needs additional time to evaluate Ambica's recently submitted cost information, examine sales issues, such as product grade hierarchy, and to issue additional supplemental questionnaires, the Department has determined that this review is extraordinarily complicated, and the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of the preliminary

results by 120 days until no later than July 17, 2007.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: February 27, 2007.

Deputy Assistant Secretary for Import Administration.

SUMMARY: On November 27, 2006, the Department of Commerce ("the Department") published a notice of preliminary results of the full sunset review of the antidumping duty order on steel concrete reinforcing bars ("rebar") from Ukraine pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). We provided interested parties an opportunity to comment on our preliminary results. We did not receive comments from either domestic or respondent interested parties.
