

time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁷ and Rule 19b-4(f)(6)(iii) thereunder.¹⁸

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as this proposed rule change will make NYSE Arca's rules consistent with those of the other markets which already have the Proprietary Trader Principal category of registration and its qualification requirements. Waiver of the operative delay would also allow the Exchange to implement the proposed rule change without delay, enabling associated persons of OTP Holders and OTP Firms who are engaged in supervisory activities to comply with the registration, examination and continuing education requirements associated with the Proprietary Trader Principal registration category in a timely manner, and thus is consistent with the protection of investors and the public interest.¹⁹ Therefore, the Commission designates the proposal operative upon filing.²⁰

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²¹ of the Act to determine whether the proposed rule change should be approved or disapproved.

¹⁷ 15 U.S.C. 78s(b)(3)(A).

¹⁸ 17 CFR 240.19b-4(f)(6)(iii). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

¹⁹ The Commission notes that, with respect to the General Securities Principal registration category, NYSE Arca states that it is codifying an existing requirement.

²⁰ For purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

²¹ 15 U.S.C. 78s(b)(2)(B).
