#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Office of Workers' Compensation Programs (OWCP) administers the Federal Employees' Compensation Act (FECA) under 5 U.S.C. 8101 *et seq.* This act provides vocational rehabilitation services to eligible workers with disabilities. Section 8104(a) of the FECA provides vocational rehabilitation to eligible injured workers to facilitate their return to work. The costs of providing these vocational rehabilitation services are paid from the Employees' Compensation Fund. Annual appropriations language under the Consolidated Appropriations Act of 2022 (currently in Pub. L. 117–103), provides OWCP with legal authority to use amounts from the Fund to reimburse private sector employers for a portion of the salary of reemployed FECA claimants hired through OWCP's

assisted reemployment program. Additionally, 5 U.S.C. 8111 provides that an individual undergoing vocational rehabilitation under section 8104 may be paid additional compensation necessary for his maintenance, which is initiated by an employer for a claimant using form CA-2231, Employers' Claim for Reimbursement Assisted Reemployment (AR) Program.
