SUPPLEMENTARY INFORMATION:

Background

On July 28, 2004 (69 FR 45075), the Commission published a notice in the **Federal Register** scheduling a full five-year review concerning the antidumping duty order on sebacic acid from China. The schedule provided for a public hearing on December 7, 2004. A request to appear at the hearing was filed by Arizona Chemicals ("Arizona") on November 26, 2004. On December 2, 2004, Arizona withdrew its request. As no other requests to appear at the hearing were filed, the Commission determined to cancel the public hearing on sebacic acid from China. The Commission further determined that no earlier announcement of this cancellation was possible.

For further information concerning this review, see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A and F (19 CFR part 207).

(Authority: This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to sections 201.35 and 207.62 of the Commission's rules.)

Issued: December 3, 2004.

By order of the Commission.

Delta Energy Systems, Inc. Formerly Known as Ascom Energy Systems, Inc. Including Leased Workers of Randstad North America And Accountemps, Palm Coast, FL; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on August 17, 2004, applicable to workers of Delta Energy Systems, Inc., including leased workers of Randstad North America, Palm Coast, Florida. The notice was published in the **Federal Register** on September 8, 2004 (69 FR 54321). The certification was amended on September 30, 2004, to include workers of the subject firm operating in various other states. The notice was published in the **Federal Register** on October 12, 2004 (69 FR 60668).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of power conversion products.

New information shows that leased workers of Accountemps were employed at Delta Energy Systems, Inc., formerly known as Ascom Energy Systems, Inc., at the Palm Coast, Florida location of the subject firm.

Based on these findings, the Department is amending this certification to include leased workers of Accountemps working at Delta Energy Systems, Inc., formerly known as Ascom, Palm Coast, Florida.

The intent of the Department's certification is to include all workers of Delta Energy Systems, Inc., formerly known as Ascom Energy Systems, Inc. who was adversely affected by increased imports.

The amended notice applicable to TA-W-55,407 is hereby issued as follows:

All workers of Delta Energy Systems, Inc., formerly known as Ascom Energy Systems, Inc., including on-site leased workers of Randstad North America and Accountemps, Palm Coast, Florida, who became totally or partially separated from employment on or after July 14, 2003, through August 17, 2006, are eligible to apply for adjustment assistance

under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under section 246 of the Trade Act of 1094.

Notice of Affirmative Determination Regarding Application for Reconsideration; Fleetguard Corporation Subsidiary of Cummins Corporation; Cookeville, TN

By application of November 12, 2004, the Tennessee AFL-CIO Labor Council requested administrative reconsideration of the Department's Negative Determination Regarding Eligibility for workers and former workers of the subject firm to Apply for Alternative Trade Adjustment Assistance (ATAA).

The determination was signed on October 22, 2004. The Notice was published in the **Federal Register** on November 12, 2004 (69 FR 65463).

The denial of ATAA was based on the finding that workers of the workers' firm possess skills that are easily transferable to another position in the local commuting area.

The Department has carefully reviewed the petitioner's request for reconsideration and has determined that the Department will conduct further investigation based on new information provided.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 18th day of November 2004.
