SUPPLEMENTARY INFORMATION: The Federal Lands Recreation Enhancement Act (16 U.S.C. 6803(b)) requires the Forest Service to publish a six-month advance notice in the **Federal Register** of establishment of proposed special recreation permits and proposed special recreation permit fees. Most of the proposed special recreation permit fees would be spent where they are collected to enhance the visitor experience in connection with the specialized recreation use covered by the proposed special recreation permit.

A proposed special recreation permit would be required and a proposed special recreation permit fee would be charged of \$5 per vehicle per day, \$40 per vehicle per year, \$20 per additional vehicle per year, \$3 per outfitted customer, or \$3 per noncommercial group member along the Snake River. Expenditures of special recreation permit fees collected would enhance recreation opportunities, improve customer service, and address maintenance needs along the Snake River.
