Federal Highway Administration

Notice of Final Federal Agency Actions on Proposed Highway Realignment in California and Nevada

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of limitation on claims for judicial review of actions by FHWA.

SUMMARY: The Federal Highway Administration (FHWA) is issuing this notice to announce actions taken by FHWA that are final. This notice announces to the public that FHWA, as the National Environmental Policy Act (NEPA) lead agency, circulated a Final Environmental Impact Statement (EIS) and Section *De Minimis* Determination (October 19, 2018) for the US 50/South Shore Community Revitalization Project (project) and issued a Record of Decision (ROD) (August 2, 2019). The actions relate to a proposed highway realignment project on US Highway 50 (US 50) in the City of South Lake Tahoe, California and Stateline, Nevada.

The project would realign US 50 in the Stateline casino corridor area (postmile 79.00 to postmile 80.44) and convert the existing US 50 roadway, between a location southwest of Pioneer Trail in the City of South Lake Tahoe, California and Lake Parkway in Stateline, Nevada, into a two-lane local street (one travel lane in each direction). Realigned US 50 would be four lanes (two travel lanes in each direction) with left-turn pockets at intersections; it would begin at a relocated Pioneer Trail intersection to the west of the existing intersection, and proceed south along existing Moss and Echo Roads. The realigned highway would then turn east onto the Montreal Road alignment, passing behind (southeast of) the Heavenly Village Center shopping complex, and continuing along the existing Montreal Road and Lake Parkway alignments. The proposed action includes a new, two-lane roundabout at the intersection of US 50 and Lake Parkway in Stateline, Nevada. The affected segment of existing US 50 is approximately 1.1 miles long.

The existing right-of-way of the segment of US 50 between Pioneer Trail and Lake Parkway—the new “Main Street”—would be relinquished to the City of South Lake Tahoe in California, and Douglas County in Nevada. Realigned US 50 would become California Department of Transportation (Caltrans) and Nevada Department of Transportation (NDOT) right-of-way.

Between Park Avenue and Lake Parkway, the new “Main Street” would
