

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165****[Docket Number USCG–2014–0745]****RIN 1625–AA00****Safety Zone; IncreDoubleman Triathlon, Lake Ontario, Sackets Harbor, NY****AGENCY:** Coast Guard, DHS.**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on Sackets Harbor, Sackets Harbor, NY for a triathlon event. This temporary safety zone is necessary to protect swimmers from vessels operating in the area. This safety zone will restrict vessels from a portion of Lake Ontario during the swimming portion of the IncreDoubleman Triathlon event.

DATES: This temporary final rule is effective from 6:45 a.m. until 9:30 a.m. on September 13 and 14, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2014–0745]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LT Christopher Mercurio, Chief of Waterways Management, U.S. Coast Guard Sector Buffalo; telephone 716–843–9573, email SectorBuffaloMarineSafety@uscg.mil. If you have questions on viewing the docket, call Ms. Cheryl Collins, Program Manager, Docket Operations, telephone 202–366–9826 or 1–800–647–5527.

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking
§ Section

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior

notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

B. Basis and Purpose

Between 6:45 a.m. until 9:30 a.m. on September 13 and 14, 2014, a triathlon/swimming races will be held offshore of Sackets Harbor, Sackets, NY. The Captain of the Port Buffalo has determined that large scale swimming event on a navigable waterway will pose a significant risk to participants and the boating public.

C. Discussion of Rule

With the aforementioned hazards in mind, the Captain of the Port Buffalo has determined that this temporary safety zone is necessary to ensure the safety of participants, spectators, and vessels during the IncreDoubleman Triathlon event. This zone will be effective and enforced from 6:45 a.m. until 9:30 a.m. on September 13 and 14, 2014. The zone will encompass waters of Lake Ontario near Sackets Harbor, NY. Specifically, the safety zone will cover all waters of Lake Ontario landward of a line connecting the following points: 43°57′0.359″ N and 76°7′14.847″ W extending northeast to 43°57′12.704″ N and 76°7′2.644″ W and then extending east to 43°57′11.037″ N and 76°6′50.054″ W (NAD 83). The zone will include waters leading into, and away from, any marinas located in close proximity to the race area.

Entry into, transiting, or anchoring within the safety zone will be authorized on a case by case basis after contacting the Captain of the Port Buffalo or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under those Orders.

We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will be relatively small and enforced for a maximum of 5.5 hours. Also, the safety zone is designed to minimize its impact on navigable waters. The safety zone will allow vessels to transit through with approval from the Coast Guard on-scene representative.

2. Impact on Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered the impact of this rule on small entities. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit a portion of Black River Bay in Sackets Harbor, NY on the mornings of September 13 and 14. This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This safety zone will allow for the passage of vessels through the zone with the permission of the Captain of the Port. The Captain of the Port can be reached via VHF channel 16. Before the activation of the zone, we would issue local Broadcast Notice to Mariners.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121),

we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule

will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This action is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the

establishment of a safety zone and, therefore it is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 46 U.S.C. Chapters 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

■ 2. Section 165.T09-0745 is added to read as follows:

§ 165.T09-0745 Safety Zone; Incredoubleman Triathlon, Lake Ontario, Sackets Harbor, NY.

(a) *Location.* This safety zone will cover all waters of Lake Ontario landward of a line connecting the following points: 43°57'0.359" N and 76°7'14.847" W extending northeast to 43°57'12.704" N and 76°7'2.644" W and then extending east to 43°57'11.037" N and 76°6'50.054" W (NAD 83). This will include waters leading into, and away from, any marinas located in close proximity to the race area.

(b) *Effective and enforcement period.* This section is effective and will be enforced from 6:45 a.m. to 9:15 a.m. on September 13 and September 14, 2014.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Buffalo or his designated on-scene representative.

(3) The "on-scene representative" of the Captain of the Port Buffalo is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Buffalo to act on his behalf.

(4) Vessel operators desiring to enter or operate within the safety zone shall

contact the Captain of the Port Buffalo or his on-scene representative to obtain permission to do so. The Captain of the Port Buffalo or his on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port Buffalo, or his on-scene representative.

Dated: August 17, 2014.

B.W. Roche,

Captain, U.S. Coast Guard, Captain of the Port Buffalo.

Coast Guard

33 CFR Part 165

[Docket No. USCG-2014-0611]

RIN 1625-AA00

Safety Zone; Lucas Oil Thunder on the River; Thompson Bay, Lake Havasu City, AZ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone within the navigable waters of Thompson Bay in Lake Havasu, AZ in support of the Lucas Oil Thunder on the River high speed boat race. This safety zone is established to help ensure the safety of participants, crew, spectators, participating vessels, and other vessels and users of the waterway. Unauthorized persons and vessels are prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port, or their designated representative.

DATES: This rule is effective from 7 a.m. to 7 p.m. on October 10, 2014 through October 12, 2014.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG-2014-0611]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West

Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Giacomo Terrizzi, Waterways Management, U.S. Coast Guard Sector San Diego, Coast Guard; telephone 619-278-7656, email d11marineeventssandiego@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366-9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security

FR Federal Register

NPRM Notice of Proposed Rulemaking

TFR Temporary Final Rule

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest."

Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable to provide a full comment period due to lack of time before the high speed boat race is planned for this season. Completing the NPRM process and providing notice and a comment period is impracticable because it would unnecessarily delay this rule and the immediate safety measures it provides to the event participants, patrol vessels, spectator craft and other vessels transiting the event area. Additionally, the high speed boat race is advertised to the local community by and through the I-10 Race Promotions. Delaying the safety zone's effective date to complete the NPRM process would interfere with the advertised and planned boat race and would unnecessarily interfere with contractual obligations related to this event. The Coast Guard will provide advance notifications to users of the affected waterways of the safety zone via marine information broadcasts and local notice to mariners.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231, 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Public Law 107-295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to propose, establish, and define regulatory safety zones.

I-10 Race Promotions is sponsoring the Lucas Oil Thunder on the River, which will involve 150 drag boats, 10 to 50 feet in length from across the United States and Canada. The safety zone will cover the majority of Thompson Bay. This temporary safety zone is necessary to provide for the safety of the participants, crew, spectators, sponsor vessels, other vessels, and users of the waterway, specifically in minimizing vessel wakes by transiting vessels in the vicinity of the racing area. Unnecessary wakes can disrupt the racing boats and could cause injury or damage to the racing vessels.

C. Discussion of the Final Rule

The Coast Guard is establishing a safety zone that will be enforced from 7 a.m. to 7 p.m. on October 10, 2014 through October 12, 2014. The effect of the temporary safety zone will be to restrict navigation in the vicinity of the boat race site until the conclusion of the races. The limits of the safety zone will include all the navigable waters of Thompson Bay encompassed by drawing a line from point to point along the following coordinates:

Northern Zone Line:

34°27'57.96" N, 114°20'48.49" W

34°27'57.71" N, 114°20'49.75" W

North West Zone Line:

34°27'07.99" N, 114°21'09.93" W

34°26'51.99" N, 114°21'03.83" W

South Zone Line:

34°27'07.99" N, 114°21'09.93" W

34°26'51.99" N, 114°21'03.83" W

The safety zone is necessary to provide for the safety of the crew, spectators, participants, and other vessels and users of the waterway. Persons and vessels will be prohibited from entering into, transiting through, or anchoring within this safety zone unless authorized by the Captain of the Port, or his designated representative, during the proposed times. The three day event will include official racing on Friday, Saturday, and Sunday. Before the effective period, the Coast Guard will publish a local notice to mariners (LNM) and the event sponsor through Lake Havasu City has extensively advertised the marine event with the public.
