AGENCY: General Services Administration, GSA.

ACTION: Notice of a request for an extension to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Public comments are particularly invited on: Whether the information collection generated by the General Services Administration Regulation (GSAR) Provision, Qualifications of Offerors, is necessary, to determine an offeror is responsible to work under a GSA contract and to properly determine an offeror's competency in performing comparable building service contracts; whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology. A request for public comments was published at 66 FR 43870, August 21, 2001. No comments were received.
