#### Notice of Inventory Completion for Native American Human Remains and Associated Funerary Objects from Arizona in the Possession of San Diego State University, San Diego, CA

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains and associated funerary objects in the possession of San Diego State University, San Diego, CA.

This notice is being published as part of the National Park Service's administrative responsibilities under NAGPRA, 43 CFR 10.2 (c). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of these Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations within this notice.

A detailed assessment of the human remains was made by San Diego State University professional staff in consultation with representatives of the Tohono O'odham Nation of Arizona.

At an unknown date, human remains representing a minimum of one individual were recovered from site SDSU-0370 (1959-2), in the vicinity of Hujuli Juk, Casa Grande/Gila Butte, AZ, by person(s) unknown under unknown circumstances. No known individuals were identified. No associated funerary objects are present.

At an unknown date, human remains representing a minimum of one individual were recovered from site SDSU-0371 (19701-10), in the vicinity of Tucson, AZ, by persons unknown under unknown circumstances. The two known individuals were identified. The two associated funerary objects are a cremation olla and a projectile point.

Based on manner of interment, these individuals have been identified as Native American. Geographic affiliation is consistent with the historically documented territory of the Tohono O'odham Nation of Arizona.
