

10. Local support. (1–5 points)
Applications will be reviewed for previous and expected local support for the Center, plans for coordinating with other developmental organizations in the proposed service area, and coordination with State and local institutions. Support documentation should include recognition of rural values that balance employment opportunities with environmental stewardship and other positive rural amenities. Other than support from potential customers, support letters and documentation should be referenced and not submitted. Centers that demonstrate strong support from potential beneficiaries and formal evidence of the Center's intent to coordinate with other developmental organizations will receive more points than those not evidencing such support and formal intent.

11. Future support. (1–2 points)
Applications that demonstrate their vision for funding center operations for future years, including diversification of funding sources and building in-house technical assistance capacity, will receive more points for this criterion.

12. Non-Agricultural Rural Cooperative Development. (0 or 5 points) Applicants that propose to use more than 50 percent of grant and matching funds to work with rural residents and businesses who are not engaged in production agriculture to develop cooperative businesses will receive 5 points. All other applicants will receive zero points. The types of cooperative development that meet this criterion include, but are not limited to, broadband cooperatives, housing cooperatives, healthcare cooperatives, shared-services cooperatives, daycare cooperatives, and any other type of cooperative that is not producing or marketing agricultural products.

B. Review and Selection Process: The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible, complete, and sufficiently responsive to the requirements set forth in this funding announcement so as to allow for an informed review. Incomplete or non-responsive applications will not be evaluated further. Reviewers appointed by the Agency will evaluate applications.

C. Anticipated Announcement and Award Dates:

Award Date: The announcement of award selections is expected to occur on or about September 15, 2005.
