SUPPLEMENTARY INFORMATION:

I. Background

The Indian Gaming Regulatory Act (IGRA or Act), Public Law 100–497, 25 U.S.C. 2701 *et seq.*, was signed into law on October 17, 1988. The Act established the National Indian Gaming Commission (“NIGC” or “Commission”) and set out a comprehensive framework for the regulation of gaming on Indian lands. IGRA, in several instances, requires that the Commission provide an opportunity for a hearing on proposed fines, temporary closure orders, and removals of a certificate of self-regulation. Also through regulatory action, the Commission has afforded appeals for notices of violations, modified and voided management contracts, and notices of late fees and late fee assessments. As to all these areas, part 585 of NIGC regulations offers appeals to the Commission on written submissions.

The Commission comprehensively updated the appeals regulations in 2012, consolidating them in one subchapter. (77 FR 58941–01). This rule augments the appeals regulations by inserting a comprehensive settlement procedure for appeals under part 585, rectifying its absence in the current regulations, and limits the motions permitted during an appeal.

II. Development of the Rule

On June 9, 2021, the National Indian Gaming Commission sent a Notice of Consultation announcing that the Agency intended to consult on a number of topics, including proposed changes to the appeals regulations in part 585. Prior to consultation, the Commission sent another Notice of Consultation, dated September 13, 2021, and released a proposed discussion draft of the regulations for review. The proposed amendments to these regulations were intended to solicit Tribes’ views on: (1) the Commission inviting, directing or granting leave to the Chair to file or respond to motions and (2) supplying a settlement procedure for appeals to the Commission on written submissions. The Commission held three virtual consultation sessions in September and
