I. Background

The Institute of Museum and Library Services is the primary source of Federal support for the Nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. Our vision is a nation where museums and libraries work together to transform the lives of individuals and communities. To learn more, visit www.imls.gov.

II. Current Actions

The Grants to States program is the largest grant program administered by IMLS, providing financial assistance to develop library services throughout the States, U.S. Territories, and the Freely Associated States. To receive funds under the Grants to States program, each established State Library Administrative Agency (SLAA) must submit to the Director of IMLS a Five-Year State Plan detailing certain goals, assurances, and procedures for a five-year period. 20 U.S.C. 9134(a). The upcoming five-year period will cover federal fiscal years 2023–2027, with Five-Year State Plans

due to IMLS on June 30, 2022. Guidelines for the Five-Year State Plans have already been developed and approved by OMB, and this update to the guidelines will incorporate the latest language from the revised Museum and Library Services Act of 2018. This language does not substantively change the guidelines but reflects minor updates to the purposes of the LSTA, to which the SLAAs must adhere when creating goals for the new Five-Year State Plans.

The Five-Year State Plan identifies a State's library needs, sets forth the activities to be taken toward meeting the identified needs supported with the assistance of Federal funds made available under the Library Services and Technology Act ("LSTA"), and provides assurances that the officially designated SLAA has the fiscal and legal authority and capability to administer all aspects of any award under the Grants to States program. 20 U.S.C. 9122(5). The Five-Year State Plan must also provide assurances for establishing the State's policies, priorities, criteria and procedures necessary to the implementation of all programs under the LSTA. 20 U.S.C. 9122(5).

This action is to renew the forms and instructions for the IMLS Grants to States Program Five-Year State Plan Guidelines for State Library Administrative Agencies for the next three years.
