

**IV. Request for Comments**

The Department of the Interior invites comments sent to the Office of Management and Budget on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) The accuracy of the agency's estimate of the burden (including the hours and cost) of the proposed collection of information, including the validity of the methodology and assumption used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) Ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other collection techniques or other forms of information technology.

*Burden* means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

Our request for comments was published in the **Federal Register** on January 23, 2002 (67 FR 3226). No comments were received.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information, unless it displays a currently valid Office of Management and Budget control number.

**DEPARTMENT OF THE INTERIOR****Bureau of Indian Affairs****Determination of Trust Land Acquisition; Correction and Clarification**

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice of correction and clarification.

**SUMMARY:** The Bureau of Indian Affairs published in the **Federal Register** of March 11, 2002, a notice on the Wyandotte Tribe of Oklahoma. This document corrects a discrepancy and clarifies language in the notice published in the **Federal Register** on March 11, 2002 (67 FR 10926).

**FOR FURTHER INFORMATION CONTACT:**

George T. Skibine, Director, Office of Indian Gaming Management, Bureau of Indian Affairs, MS-2070 MIB, 1849 C Street NW., Washington, DC 20240; Telephone (202) 219-4066 (this is not a toll-free number); Telefax (202) 273-3153.

**Correction**

In the **Federal Register** of March 11, 2002, in FR Doc. 02-5760, on page 10926, in the second column under the heading "Background," the notice incorrectly stated in the last paragraph that "\* \* \* the initial \$100,000 investment was \$121,170 at the time of the land purchase." The sentence is corrected to read "\* \* \* the initial \$100,000 investment was \$212,170 at the time of the land purchase."

**Clarification**

In the first column under the heading "Summary," the words "land settlement claim" are removed from the text. In the second column under the heading "Determination," the first sentence is modified to read as follows: The Secretary of the Interior has determined that Public Law 98-602 funds were used to purchase the Shriner's Property in Kansas City, Kansas. This clarification is necessary to underscore that the notice should not be interpreted as a determination by the Secretary of the Interior that the Wyandotte Tribe is entitled to conduct gaming activities on the Shriner's Property pursuant to the "settlement of a land claim" exception to the gaming prohibition on land acquired in trust after October 17, 1988, contained in Section 20 of the Indian Gaming Regulatory Act. Attorneys for the Wyandotte Tribe have advised attorneys for the Department of the Interior and the Department of Justice that the Wyandotte Tribe intends to request the Department of the Interior and the National Indian Gaming Commission to decide whether the Shriner's Property comes within the "settlement of a land claim" exception in 25 U.S.C. 2719(b)(1)(B)(i).
