

- Enhance the quality, utility, and clarity of the information to be collected.

- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

The information solicited on this form will be used to conduct background investigations, reinvestigations, and continuous vetting of persons for eligibility for logical access, physical access, credentialing, and fitness to perform work overseas for or on behalf of the U.S. Government as Locally Employed (LE) Staff and locally-hired third party contractors employed overseas at a U.S. Mission. For applicants, this form is to be used only after a conditional offer of employment has been made. This form is not to be used for national security positions.

Methodology

Respondents will fill out a brief customer survey after completing their interaction with a Department Program Office or Embassy. Surveys are designed to gather feedback on the customer's experiences.

Brian L. Mason,

Division Chief, Operations, Bureau of Diplomatic Security, Department of State.
