Forest Service

Notice of New Fee Site; Federal Lands Recreation Enhancement Act

AGENCY: Allegheny National Forest, USDA Forest Service.

ACTION: Notice of New Fee Site.

SUMMARY: The Allegheny National Forest is planning to charge from \$100–\$150 per night fee for rental of the Farnsworth Cabin. This cabin has not been available to the public for recreation use prior to Spring 2009. This historic cabin was built by the Civilian Conservation Corp in the 1940's. Rentals of other cabins on the Allegheny National Forest have shown that the public appreciates and enjoys the availability of historic rental cabins.

DATES: Farnsworth Cabin will become available for recreation rental Spring, 2009.

ADDRESSES: Forest Supervisor, Allegheny National Forest, P.O. Box 847, Warren PA 16365.

FOR FURTHER INFORMATION CONTACT: Tonika Goins, Recreation Team Leader for Bradford District, 29 Forest Service

Drive, Bradford, PA 16701, phone (814) 363–6049, or mail tonikagoins@fs.fed.us.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (title VIII, Pub. L. 108–447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established. The new fee will be reviewed by a Recreation Resource Advisory Committee prior to a final decision and implementation. A market analysis indicates that the \$100 to \$150/per night fee is both reasonable and acceptable for this sort of unique recreation experience. People wanting to rent Farnsworth Cabin will need to do so through the National Recreation Reservation Service, at <http://www.reserveusa.com> or by calling 1–877–444–6777. The National Recreation Reservation Service charges a \$9 fee for reservation.

Dated: August 6, 2008.

Forest Supervisor (Allegheny National Forest).

The data collected in the ARTS provide a current statistical picture of the retail and food services and accommodations portions of consumer activity. Also, the estimates compiled from this survey provide valuable information for economic policy decisions and actions by government and are widely used by private businesses, trade organizations, professional associations, and others for market research and analysis. The sales and receipts data are used by the Bureau of Economic Analysis (BEA) in determining the consumption portion of the Gross Domestic Product (GDP).

The BEA is the primary Federal user of the data collected in the ARTS and the information collected is critical to the quality of several of BEA's key programs. The data on retail sales are used to prepare detailed annual personal consumption expenditures estimates; merchandise inventories, valuation methods and merchandise purchases are used to prepare annual estimates of change in the business inventory component of GDP. Sales, merchandise purchases, inventories, inventory valuation and sales tax data are used to prepare estimates of GDP by industry and to derive industry output for the input-output accounts.
