Priority

Invitational Priority

We are particularly interested in applications that meet the following priority:

Projects that provide vocational rehabilitation services including, but not limited to, vocational skills development, job placement, job training, occupational skills training programs, cultural awareness, language skills development, life skills (e.g., health, education, socialization), English as a Second Language, dissemination of employment information, and training workshops.

Under 34 CFR 75.105(c)(1), we do not give an application that meets the priority a competitive or absolute preference over other applications.

Application Procedures

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Pilot Project for Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project for electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The Migrant and Seasonal Farmworkers Program—CFDA: 84.128G is one of the programs included in the pilot project. If you are an applicant under the Migrant and Seasonal Farmworkers Program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-Application) portion of the Grant Administration and Payment System (GAPS). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. If you participate in this voluntary pilot project by submitting an application electronically, the data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in e-Application, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format. When you enter the e-Application system, you will find information about its hours of operation.

- You may submit all documents electronically, including the Application for Federal Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within 3 working days after submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:

- (1) Print ED 424 from the e-Application system.

- (2) The institution's Authorizing Representative must sign this form.

- (3) Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.
