*Abstract:* Institutions with net transaction accounts greater than the exemption amount are called nonexempt institutions. Institutions

with total transaction accounts, savings deposits, and small time deposits greater than or equal to the reduced reporting limit, regardless of the level of their net transaction accounts, are also referred to as nonexempt institutions. Nonexempt institutions submit FR 2900 data either weekly or quarterly. An institution is required to report weekly if its total transaction accounts, savings deposits, and small time deposits are greater than or equal to the nonexempt deposit cutoff. If the nonexempt institution's total transaction accounts, savings deposits, and small time deposits are less than the nonexempt deposit cutoff then the institution must report quarterly or may elect to report weekly. U.S. branches and agencies of foreign banks and banking Edge and agreement corporations submit the FR 2900 data weekly, regardless of their size. These mandatory data are used by the Federal Reserve for administering Regulation D (Reserve Requirements of Depository Institutions) and for constructing, analyzing, and monitoring the monetary and reserve aggregates.
