#### Certain Passenger Vehicle and Light Truck Tires From Taiwan: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2023–2024

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily finds that certain passenger vehicle and light truck tires (passenger tires) from Taiwan were not sold at less than normal value (NV) during the period of review (POR) July 1, 2023, through June 30, 2024. Commerce preliminarily finds that the producer/exporter subject to this review did not make sales of subject merchandise at less than NV. Interested parties are invited to comment on these preliminary results.

**DATES:** Applicable July 22, 2025.

**FOR FURTHER INFORMATION CONTACT:** Toni Page, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1398.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 19, 2021, Commerce published in the *Federal Register* the antidumping (AD) order on passenger tires from Taiwan.<sup>1</sup> On July 1, 2024, Commerce published in the *Federal Register* a notice of opportunity to request an administrative review of the *Order* for the POR.<sup>2</sup> On August 14, 2024, based on timely requests for a review, in accordance with 19 CFR

351.221(c)(1)(i), we initiated an administrative review of the *Order* with respect to Cheng Shin Rubber Ind. Co. Ltd. (Cheng Shin) and Nankang Rubber Tire Corp., Ltd. (Nankang).<sup>3</sup>

On October 29, 2024, we received a timely withdrawal request for the administrative review of Cheng Shin.<sup>4</sup> On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.<sup>5</sup> On June 25, 2025, Commerce extended the deadline for these preliminary results by 14 days.<sup>6</sup> The current deadline for the preliminary results is July 15, 2025.

For a detailed description of the events that occurred since the *Initiation Notice*, see the Preliminary Decision Memorandum.<sup>7</sup> The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision

Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of topics discussed in the Preliminary Decision Memorandum is included as the appendix to this notice.

#### Scope of the Order

The merchandise covered by the scope of the *Order* is passenger tires from Taiwan. For a full description of the scope of the *Order*, see the Preliminary Decision Memorandum.<sup>8</sup>

#### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. Cheng Shin timely withdrew its request for review of its company.<sup>9</sup> No other interested party requested an administrative review of Cheng Shin. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this administrative review with respect to Cheng Shin.

#### Methodology

Commerce is conducting this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

#### Preliminary Results of Review

We preliminarily determine the following estimated weighted-average dumping margin exists for the period July 1, 2023, through June 30, 2024:

Exporter/producer	Weighted-average dumping margin (percent)
Nankang Rubber Tire Corp., Ltd .....	0.00

<sup>8</sup> See Preliminary Decision Memorandum at 2–6.

<sup>9</sup> See Cheng Shin Withdrawal Request.

## Disclosure

Commerce intends to disclose the calculations and analysis performed to interested parties for these preliminary results within five days after public announcement or, if there is no public announcement, within five days after the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

## Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.<sup>10</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>11</sup> Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>12</sup>

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this administrative review, we instead request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.<sup>13</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>14</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a

hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Hearing requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the respective case briefs.<sup>15</sup> If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined and will notify the parties through ACCESS.<sup>16</sup> Parties should confirm the date, time, and location of the hearing two days before the scheduled date. All submissions, including case and rebuttal briefs, as well as hearing requests, should be filed using ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

## Assessment Rates

Upon completion of the administrative review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>17</sup> Commerce intends to issue assessment instruction to CBP no earlier than 35 days after the date of publication of the final results in the **Federal Register**.

If Nankang's final weighted-average dumping margin is zero or *de minimis*, or where an importer-specific *ad valorem* assessment rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.<sup>18</sup>

For Cheng Shin, for which this review is being rescinded, antidumping duties shall be assessed on entries at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP for Cheng Shin no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

The final results of this administrative review shall be the basis for the assessment of antidumping duties on

entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>19</sup>

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

## Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate established in the original less-than-fair-value investigation (*i.e.*, 84.75 percent).<sup>20</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

## Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

**DEPARTMENT OF COMMERCE****International Trade Administration**

[C–533–939]

**Oleoresin Paprika From India: Initiation of Countervailing Duty Investigation**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable July 15, 2025.

**FOR FURTHER INFORMATION CONTACT:** Suresh Maniam, Office I, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1603.

**SUPPLEMENTARY INFORMATION:****The Petition**

On June 25, 2025, the U.S. Department of Commerce (Commerce) received a countervailing duty (CVD) petition concerning imports of oleoresin paprika from India, filed in proper form on behalf of Rezolex, Ltd. Co. (the petitioner), a domestic producer of oleoresin paprika.<sup>1</sup> The CVD Petition was accompanied by an antidumping duty (AD) petition concerning imports of oleoresin paprika from India.<sup>2</sup>

Between June 27 and July 9, 2025, Commerce requested additional

information pertaining to certain aspects of the Petition in supplemental questionnaires.<sup>3</sup> Between July 1 and 10, 2025, the petitioner filed timely responses to these requests for additional information.<sup>4</sup>

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), the petitioner alleges that the Government of India (GOI) is providing countervailable subsidies, within the meaning of sections 701 and 771(5) of the Act, to producers of oleoresin paprika in India, and that such imports are materially injuring, or threatening material injury to, the domestic industry producing oleoresin paprika in the United States. Consistent with section 702(b)(1) of the Act and 19 CFR 351.202(b), for those alleged programs on which we are initiating a CVD investigation, the Petition was accompanied by information reasonably available to the petitioner supporting its allegations.

Commerce finds that the petitioner filed the Petition on behalf of the domestic industry, because the petitioner is an interested party, as defined in section 771(9)(C) of the Act. Commerce also finds that the petitioner demonstrated sufficient industry support with respect to the initiation of the requested CVD investigation.<sup>5</sup>

**Period of Investigation (POI)**

Because the Petition was filed on June 25, 2025, the POI is January 1, 2024, through December 31, 2024.<sup>6</sup>

**Scope of the Investigation**

The product covered by this investigation is oleoresin paprika from India. For a full description of the scope of this investigation, *see* the appendix to this notice.

**Comments on the Scope of the Investigation**

Between June 27 and July 9, 2025, Commerce requested information and clarification from the petitioner regarding the proposed scope to ensure that the scope language in the Petition is an accurate reflection of the products

for which the domestic industry is seeking relief.<sup>7</sup> Between July 1 and 10, 2025, the petitioner provided clarifications and revised the scope.<sup>8</sup> The description of merchandise covered by this investigation, as described in the appendix to this notice, reflects these clarifications.

As discussed in the *Preamble* to Commerce's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage (*i.e.*, scope).<sup>9</sup> Commerce will consider all scope comments received from interested parties and, if necessary, will consult with interested parties prior to the issuance of the preliminary determination. If scope comments include factual information,<sup>10</sup> all such factual information should be limited to public information. Commerce requests that interested parties provide at the beginning of their scope comments a public executive summary for each comment or issue raised in their submission. Commerce further requests that interested parties limit their public executive summary of each comment or issue to no more than 450 words, not including citations. Commerce intends to use the public executive summaries as the basis of the comment summaries included in the analysis of scope comments. To facilitate preparation of its questionnaires, Commerce requests that scope comments be submitted by 5:00 p.m. Eastern Time (ET) on August 4, 2025, which is 20 calendar days from the signature date of this notice. Any rebuttal comments, which may include factual information, and should also be limited to public information, must be filed by 5:00 p.m. ET on August 14, 2025, which is 10 calendar days from the initial comment deadline.

Commerce requests that any factual information that parties consider relevant to the scope of this investigation be submitted during that period. However, if a party subsequently finds that additional factual information pertaining to the scope of the investigation may be relevant, the party must contact Commerce and request permission to submit the additional information. All scope comments must be filed simultaneously on the records of the concurrent AD and CVD investigations.
